2. Central Library Plan Updates

- a. The Central Library Planning Committee met to review the Central Library Plan and to consider reallocation of funds to some additional digital platforms.
 - i. Platforms under consideration included:
 1. Ground News
 2. Kanopy
 3. Mango Languages (plus ASL)
 4. Hoopla
 5. JobNow
 6. Additional funds for OverDrive
- b. Cost for Hoopla was high with low adoption numbers. If we added Hoopla, we would not be able to add any other services. The committee's recommendation is to forego Hoopla, and instead, add access to Kanopy, JobNow, Ground News, and Mango Languages plus ASL, along with some additional funds for OverDrive collection development.
- c. The DAC is expected to vote on this at the September meeting.
