2. Approval of Minutes – July 2022 *FOR APPROVAL Doc. #22-95 Approved

3. Treasurer's Report – July 2022 *FOR APPROVAL Doc. #22-96 Approved

B Gorman reported that assets stood at 2,150,000.00 at the end of July. The report accounts for construction project spending, but overall STLS is in a good financial position for this point in the year.

4. Financial Clerk's Report – July 2022 *FOR APPROVAL Doc. #22-97 Approved

For income, B Hildreth reported that line items 4700, 4709, 4710, 4716 account for State Aid receipts.

For expenses, B Hildreth reported line item 5409, STLS Telephone and Internet, some bills were prepaid for internet, making the expense higher for July. Line item 5490, Grants, the money is mostly STLS Office Renovation costs.

5. Treasurer's Report – August 2022 *FOR APPROVAL Doc. #22-98 Approved

B Gorman reported that the July and August Treasurer's reports did not have many differences. STLS is still in a good financial position.

F Wright inquired about line item 1202 and why it has "jumped" in amount. B Gorman answered it is because State Aid was deposited, which would account for the increase.

6. Financial Clerk's Report – August 2022 *FOR APPROVAL Doc. #22-99 Approved

For income, B Hildreth reported line items 4706, 4711, 4713 have all increased due to receipt of State Aid.

For expenses, B Hildreth reported line item 5409, STLS Telephone/Internet was considerably lower than July because prepayments were paid in July. Payroll, line items 5141 and 5142, was higher due to July having three pay periods. For grants, line item 5490, STLS spent \$124,000.00. Ninety percent of that money was spent on the construction project. B Hildreth pointed out that construction costs were consistent for the months of June, July and August.

Standing Committee Reports -

7. Executive Committee – Richard Ahola

R Ahola reported the committee approved the agenda and reviewed the minutes.

8. Personnel & Policies Committee – Denise King (Minutes) Doc.#22-100 D King and B Hubbell wanted to add to the record that they give their thanks to Melissa Morrissey for her assistance with the Executive Director's performance review, and Survey Monkey complications.

** Move to go into Executive Session to Discuss the Executive Director's 2021/2022 Performance Evaluation. Motion by D King and second by B Hubbell

Executive session started at 2:34pm. Executive session ended at 2:50 pm. **

(Library Bill of Rights – Policy) **Doc. #22-101** (Freedom to Read – Policy) **Doc. #22-102**

D King asked the Board to review the policy so it can be reaffirmed in October.

D King added that she looked into the use of the word "jealously" and the second definition means to guard or protect. This clarifies its use in the policy.

D King also added that this policy is not drafted by STLS. B Hildreth stated that if wanted, STLS could add an abstract at the beginning of the policy. B Hubbell noted that yearly the policy is reviewed at the next level up and is reaffirmed.

(Collection Management – Policy) Doc. #22-103

D King stated there are some changes to the policy as it was looked at in the light of diversity, inclusion, equity and social justice. B Hildreth added that the Directors Advisory Council submitted some of the changes. B Hildreth stated it is important to review this policy with the recent increase in library reconsideration of materials. He explained the process that would be followed by STLS and member libraries if an item was asked to be removed from the shelves.

L Decker suggested that libraries could keep a copy of the policy at the desk for patrons to read and review in case of any question about particular library materials. F Wright suggested maybe some sort of poster or artistic rendition of key points of the policy be displayed.

B Hildreth noted that there are several open positions at STLS. For the Delivery Driver position, B Hildreth stated that it was filled by James Smith. The Resource Consultant position will be advertised at the beginning of October. The job description will also be updated. Finally, B Hildreth stated that the vacancy of the IT Procurement Specialist was not anticipated and, in the meantime, the job duties will be picked up by current staff members.

B Hildreth noted that Business Manager Barb Mack will be retiring in Spring 2023 and the hope is to have someone hired so they can train with Barb before she retires.

D King noted the employment benefit received by Brian Hildreth is part of his contract and while not required to be voted on yearly, but it is best practice to do so and will be done every year.

9. Finance & Facilities Committee - Betsy Gorman

Doc.#22-104

(Minutes Provided at Board Meeting)

B Gorman stated the committee met yesterday and she wanted to thank SIsi Barr for typing and submitting the minutes so quickly. B Gorman stated that STLS received a bit more State Aid than anticipated. B Hildreth will rework the budget and present to the Board in October.

B Gorman noted that the 2023 budget will be presented to the Board at the October meeting. There is anticipation of some surplus next year which will help with the deficit in next years budget.

B Gorman spoke about STLS yearly audit. The plan was to have Kathy from Mengel, Metzger and Barr present at todays meeting. That presentation was rescheduled to the October meeting, so she has time to meet with the Finance and Facilities Committee as well as the full Board.

B Hildreth stated the audit went well and the only "hiccup" was that it had to be performed later in the year.

10. Public Relations Committee – Lynnette Decker (Minutes) **Doc.#22-105**

L Decker stated the committee discussed the awards and scholarships that will be presented at this years Annual Meeting, as well as the appointment of Trustees. L Decker also noted that the annual meeting registration numbers are low. B Hildreth stated that the low numbers are to be expected with this being the first in-person annual meeting since the Pandemic.

Welcome & Election of Trustees

STLS Board President Richard Ahola held the annual elections of trustees and facilitated the approval of library system bylaw revisions.

The Southern Tier Library System Board of Trustees recently reviewed and revised its Bylaws to best reflect the current practices of the organization. Members have been provided a copy of these revisions. The underlying changes reflect proper grammar, and address how the board conducts itself during board and committee meetings considering recent changes to New York State Open Meetings Law. The primary Bylaw change means the STLS Board of Trustees meets in-person for all of its meetings as of July 2022. The board unanimously approved these Bylaws at their July 19, 2022 board meeting, and now seek approval from the membership to affirm these changes.

OLD BUSINESS

Online Auction

We have about 45 items in the auction and have raised approximately \$5,100 in sponsorships and donations.

Rusty Wigg moved and Peter Gamba seconded that Louise Richardson be authorized to spend up to \$250 on Facebook boosts for the auction. Brian Hildreth noted that Erika Jenns can be a resource in how to set up audience parameters for boosted posts in Facebook.

Rusty will contact Paul Webster about linking the Paypal account to the auction.

Louise sent the auction link to Brian Hildreth and the board.

It was agreed that each board member who recruited items for the auction should be responsible for sending thank you letters to the donors.

NEW BUSINESS

The Southern Tier Library System Annual Meeting will be held at the Y at Watson on Friday, October 7 from 9:30 am to 1:00 pm. Denise King and Louise offered to man a table for the Foundation at the event. Dale offered to supply truffles to give to attendees and will put together a raffle basket for the event. Louise will put together a short presentation highlighting grant funded projects.

Denise noted that she will be leaving the board when her current term is up.

There being no further business, the meeting was adjourned at 2:50 pm.

Respectfully submitted, Louise Richardson, Secretary 4:19 PM 10/04/22 10/5/22

Professional Development, ILL and Youth Services by Lorie Brown, Professional Development Manager Division of Professional Development and Outreach

Member libraries are steadily utilizing BARC ILL services to meet the recreational and informational needs of their patrons that cannot be met from the resources within the boundaries of STLS. BARC (Bibliographic and Referral Center) is a program sponsored by the South Central Regional Library Council to provide interlibrary loan services to area libraries and library systems. At the close of September 2022, there are 46 % of our member library outlets (22 outlets) that are using this service. In the last 6 months, there has been an increase of 63% in the number of requests being made. This traditional service is valuable to patrons across our system and its use will continue to grow.

Lorie participated in the Staff Development series. She presented a session that gave a brief look at the work and organization that the Delivery Team contributes to the services of STLS.

Lorie on boarded a new driver to the Delivery Team. James Smith has begun 'ride alongs' with experienced drivers to learn the delivery routes and other pertinent details to successfully delivery materials to our member library outlets. Jim will do his first 'solo' run about mid-October.

Lorie attended the Director's Advisory Council (the DAC), has executed behind the scenes tasks to ensure that supplies for summer 2023 will arrive in a timely manner, has helped to distribute canvas bags and materials for youth to members who wish to have them. Lorie, accompanied Executive Director, Brian Hildreth to a meeting of the Prattsburgh Public Library Board of Trustees. The topic under discussion was collection management policies as well as a distinction between trustee and director responsibilities.

Lorie throughout the month worked with the Information Literacy Committee, a sub-committee of the DAC to help create a survey of the needs of member libraries in having ready-to-go resources for patron queries. She has scheduled a training for December that will address this topic as well. The training will be presented by staff from CCLD.

Coordinated Outreach by Keturah Cappadonia, Outreach Consultant Division of Professional Development and Outreach

Keturah had the opportunity to do a great deal of work with physical collections in September, as she processed and readied nearly 500 books for delivery to the Elmira Correctional Facility and nearly 200 Large Print books for

addition to the STLS Large Print Rotating Collections. Keturah worked to weed and update ten of the rotating Large Print collections in preparation for their delivery to member libraries in October. The Large Print Rotating Collections have not been weeded and updated since February 2020, due to interruptions to regular operations caused by the COVID-19 pandemic and the STLS office building renovations.

Keturah visited the Elmira Correctional Facility in September to tour the General Library and meet with Greg Harris, Senior Librarian at ECF, and Corrinne Leone and Linda Klimchak, administrators in the Department of Corrections and Community Supervision (DOCCS). Working with Greg and Corinne, Keturah was able to determine some key priorities for the services STLS provides to the ECF General Library and will work on these priorities during 2023. Keturah also facilitated the annual Correctional Facility Negotiation meeting in partnership with Brian Hildreth.

Keturah visited the following member libraries and agencies during September: Steuben County Jail, Schuyler County Jail, and the Hornell Library. Keturah attended the following meetings: SCRLC Executive Committee, Outreach Coordinators monthly meeting, STLS Training Team, Allegany County Directors Association, NYLA Council, SCRLC Board, SCRLC Bylaws Committee, Rural Libraries Roundtable, and STLS Staff Development Days.

Digital Librarianship & Public Relations by Erika Jenns, Engagement Consultant Division of Professional Development and Outreach

September 2022 Monthly Report

During the month of September 2022, Erika Jenns prepared for implementation of the PLA Digital Literacy Incentive grant. She secured workshop topics, locations, and dates for the three workshops. Workshops in the DigLit: Digital Literacy series will include:

- * Mobile Device Basics for Apple Devices at the Friendship Free Library on Tuesday, October 4th, 11:00am
- * Cybersecurity Basics at the Pulteney Free Library on Tuesday, October 25th, 11:00am
- * Mobile Device Basics for Android Devices at the Montour Falls Library on Tuesday, November 15th, 5:00pm In addition, Erika promoted the series via press releases to 22 media outlets and community partners, as well as via social media through boosted posts, by sending flyers to hosting libraries and to nearby library locations. Erika also ordered tablets (iPads, Samsung tablets, and Kindle Fires) for the workshops and spent time setting them up, as well as creating materials for each workshop.

After attending the Allegany County Directors Association meeting, Erika responded to member needs by creating a Libby guide, which included information on using and installing the Libby app, important features, as wells as information on upcoming Libby workshops being offered by OverDrive staff. She also created a print guide to the Recommend to Library feature available through OverDrive and sent copies to each member library. And, Erika hosting Libby trainings with eight staff at the Bolivar Free Library and the Richburg Colonial Library. She also shared Libby information at a new director meeting with Jackie Wilson and the 20th Century Club Library in Almond.

Other activities this month included attending the STLS staff development days; taking new staff headshots, editing the images, and updating the STLS website; discussion and revision of the Resource Consultant position posting; promotion of upcoming STLS events through emails and the print calendar; attending the Directors Advisory Council meeting; and leading the Digital Library Advisory Group meeting.

Information Technology by Ken Behn, Assistant Director – Head of IT Division of Information Technology

In September, IT worked on 132 Help Desk requests for member libraries and performed 4 monthly operating system patches on ILS servers. Weekly meetings with IT department staff and the monthly CCLD meeting were held.

Installed a new VoIP network switch for the phone system and spent may days gradually cleaning and rearranging network cabling in the remodeled server room.

Pat, Tom and I rearranged UPS units for the installation of the new equipment we installed to upgrade our data center as part of E-rate and ARC grant projects.

Collected new public computer equipment orders from 4 Allegany libraries participating in an ARC grant.

Individually these are some highlights of IT staff work:

Pat Beeman -

- Resolved ILS receipt printer issue for Wayland.
- Worked on server room and networking for VoIP phone system.
- X5228 calls, as always (multiple SRs)

Tom Lawrence -

- Worked on email server delay issues from high volume of SPAM.
- Worked with Dell on a display issue Mandy's laptop had.
- Resolved security admin account issues for Branchport public laptops.

Integrated Library System and Cataloging by Mandy Fleming, ILS Manager Division of Information Technology

Here is our monthly report for September...

E-rate

I submitted Billed Entity Applicant Reimbursement Forms (BEARs) for the 2nd half of FY 2021-2022 – they totaled \$86,986.64 in reimbursements for monthly and one-time Internet access charges. We received the full amount posted to our account in September. I have one final monthly internet BEAR to file, for that funding year, once we get the Spectrum billing errors in Bolivar fully sorted out.

General STLS

Kylie, Larissa and I had the pleasure of attending onsite STLS-provided staff training in mid-September. It was wonderful to meet again as a team, in person. We learned a lot but we also had fun, laughed and appreciated being back together again in our lovely, remodeled conference room.

<u>ILS</u>

Kylie visited Scio twice in September - they have a number of items on the shelf that were never barcoded and/or added to the catalog and she is helping Raeanne get their collection fully barcoded and organized in WorkFlows. Kylie also visited Wayland to provide training on BLUEcloud Analytics (BCA), our reporting software tool. Daniel met with Hannah (Corning) remotely to review BLUEcloud Circulation (BCC is a web-based circulation product that may one day replace WorkFlows, but is currently helpful for providing offsite library service) and discuss other ILS-related topics. I created new BCC accounts for two CCLD staff members, who plan to use it for outreach events. I visited Arkport, Belmont and Almond to provide training to the newly hired directors in each library – Cody, Curtis and Jackie respectively.

September was a busy month for committee meetings. The DAC Circulation Committee Meeting was one of those meetings. As part of work for that committee, I created new documentation for the Claims Returned wizard in WorkFlows. We also had a DAC Meeting in September where the DAC approved the Circulation Committee's recommendation to remove the display of Title, Gender, Lostitem and duplicate Birthdate fields in user records. While some of these fields have been used by libraries in the past, they are currently unused or used very rarely. I have begun the process of removing the display of these fields by removing those fields from new user records.

The Cataloging Advisory Committee also held a meeting last month. As part of that committee work, in September we began our next BCA and DC project - changing 650s of "Illegal aliens" to "Illegal immigration" and "Aliens" to "Noncitizens," as the Library of Congress subject headings related to illegal immigration have changed. We have found that this project is more complex than we originally expected, due to additional terms that contain "illegal aliens," such as "women illegal aliens" and the ambiguity of "Aliens" as a subject heading. We will continue to work on this project until all subject heading updates have been made.

Cataloging volume has increased, as it always does this time of year. We are currently at a turnaround time of 11 working days for unopened "normal" cataloging requests. This is always our busiest time of the year with publishing season, various holidays, illnesses (always seem to hit when the weather changes in October!) and the STLS Annual Meeting. This year we also have Gather & Grow in October and an unusually large number of new directors starting.
