STLS OVERVIEW

Southern Tier Library System (STLS) advocates for excellent service at the 48 member public libraries, branches and reading centers located in the five counties we serve – Allegany, Chemung, Schuyler, Steuben and Yates. We are one of New York State's 23 public library systems established in 1958 by State Education Law. We help members save funds through economies of scale and by sharing resources and services. Through System services residents use library resources online from home, school, or work. Over 150,000 library cardholders access the combined library collections of more than 1.5 million items, including books, audio recordings and CDs, DVDs, magazines, digital audio books, eBooks and more.

The Southern Tier Library System is a 501(c)3 cooperative library system chartered by the Regents. Most of our financial support is state aid, allocated annually by the State legislature and distributed through the New York State Department of Education. Boards of Trustees of local libraries elect the fifteen members of the System Board. STLS completes an annual application for state aid, files an annual financial and services report with the NYS Division of Library Development, and files a 990 form with the Internal Revenue Service.

In 2011 STLS worked with a Steering committee of community residents to create the Foundation for Southern Tier Libraries. The Foundation is chartered by the Regents, has 501(c)3 status, has a eight-member Board of Trustees, and raises funds to benefit STLS and its member libraries.

MISSION

STLS’ purpose is to connect, empower and advocate for all Southern Tier public libraries.

TRUSTEE JOB DESCRIPTION

APPLIES TO: STLS Trustees
REFERENCES: Handbook for Library Trustees of New York State; Statement on the Governance Role of a Trustee or Board Member; Authority of the Board Policy Conflict of Interest Policy

Library System trustees play a special, especially important role in husbanding the dedicated and prudent use of library resources, as well as striving to provide the services which best benefit and support the library community at large. A Southern Tier Library System Trustee is a person to whom property is legally committed in trust, both the physical property and the resources and services the System provides to its member libraries. While delegating day-to-day activities to competent staff, the trustees must always be mindful of how their decisions impact the future of our library community.

Trustees must fulfill the duties legally referred to as “care, loyalty, and obedience”, and must be tireless advocates for improving library services. The effective trustee must be well versed in good governance practices that will enable the board to meet the challenges presented by a rapidly changing political, social and cultural environment. All trustees are indemnified by an “umbrella” liability policy for Trustees and Directory Insurance coverage maintained by the System.

Trustees must act in good faith and exercise the degree of diligence, care and skill that an ordinary individual would deem prudent in a like situation. Trustees owe allegiance to the System and must act with the best interest of the system in mind, with fiduciary responsibility and dedication to the fulfillment of the System’s mission and goals.

The particular responsibilities of trustees are:

1. Select, hire and regularly evaluate a qualified Executive Director;
2. Secure and manage adequate funding to support the System’s mission and its physical property;
3. Develop and adopt policies regarding system governance and use;
4. Maintain a facility that meets the needs of the system and its services;
5. Conduct the business of the System in an open and ethical manner in compliance with all applicable laws and regulations, STLS By-Laws. Policies and Procedures, as well as with respect for the institution, staff and public.

2 Statement of the Governance Role of a Trustee or Board Member. University of the State of New York Board of Regents, May 2012. n.p.
3 Nichols. Jerry. op. cit. p. 11
6. Avoid any conflict of interest when exercising Trustee duties.

By serving on the Board of Trustees, each trustee agrees to:

1. Attend all STLS Board meetings unless excused;
2. Participate on one or more Board committees;
3. Visit member libraries and interact with library staff, as circumstances permit;
4. Support Board decisions and maintain confidentiality of the Board’s executive sessions;
5. Serve in leadership positions or undertake special assignments willingly;
6. Suggest and recruit possible nominees to the Board who can make significant contributions;
7. Promote the Southern Tier Library System and the Foundation for Southern Tier Libraries and support their fundraising activities.

Discussion:
B Hildreth stated cost share invoices will be sent in February 2020 and there will be an additional cost for member libraries for digital collections as approved by the Directors Advisory Council (DAC). Member libraries were surveyed, and DAC representatives voted to have the new cost set at the proposed 2020 rate. B Hildreth stated he anticipates some questions when the invoices are received by member libraries, and will be available to answer any questions that may arise.

P Selwood asked the Board to refer to the Executive Director’s performance objectives, Doc.#19-116.
B Gorman highlighted two changes in the objectives:
1. Objective #1 – should read “2020” not “2019”
2. Objective #2 – should read “to important policies”, not “two import policies”

B Hildreth summarized his objectives for 2020:

D King asked why Chemung County Library District is the Central Library?
B Hildreth answered that when NY State required the merger of Chemung County and STLS, Steele would be made the Central Library. The entire district is now the Central Library under CCLD’s charter.

D King then asked what if the question ever came up to relocate the Central Library? B Hildreth answered that he feels the Central Library has done well recently to provide more direct services to member libraries and that the Central Library Committee of member libraries in tandem with CCLD is working to make this happen.

B Gorman asked how the central library planning committee is determined? B Hildreth answered that he asks for 12-15 volunteers and tries to make sure there is representation from smaller libraries and all counties.

P Selwood requested to add a motion to approve the Executive Directors 2019/2020 Performance Objectives:

C Emmer inquired about line item 5419, Electronic Materials, and why there was a decrease.

Discussion:

B Hildreth explained that STLS reached out to three dealerships and two submitted bids. Of the responses, B Hildreth recommended that the second lowest bid be accepted because the lowest bid was from a Pennsylvania dealership and the agency prefers to use in state vendors. Difference in price is minimal.

C Dutton recommended we reach out to White Imprints in Cuba, NY for a bid on the van wrap.

C Emmer inquired if we put out bids to more than the listed dealerships. B Hildreth stated we put bids out to any dealership that carries the make and model we are looking to purchase, which is not many. Five dealerships were contacted.

C Emmer suggested that we document that we reached out to all dealerships. B Hildreth stated the documentation is in the Purchase Order for the responding dealerships, and will be retained for 7-years.

D Wexell recommended the wording in the action item be updated to eliminate the word “new”.

**OUTREACH SERVICES**

STLS receives three state grants which together fund System-centered outreach endeavors. These grants are determined by, and obtained through, adherence to NYS Education Law and Education Commissioner’s Regulations. Some things to note about the STLS outreach program:

1) Funding is separate from the general STLS budget
2) There are specific laws, guidelines, and regulations which determine how the funds may be used and who is to be served
3) Services under these programs are developed and implemented with advisement from the populations and facilities to be served
4) STLS with the advice and consent of the Coordinated Outreach Services Advisory Council (COSAC) and the 2 state correctional facilities has developed the following guidelines:
   - services funded by these programs will be offered to all System residents in all libraries and all facilities
   - wherever possible, STLS will take an “expansive” approach in making services as widely available to as many System area residents as possible
5) **When fully funded, the three categories of Outreach state aid to STLS** total approximately $111,828/year; in 2019 STLS received approximately $106,345.
### Coordinated Outreach Services Program

Under New York State Education Law, §273 (1) (h) (1), and Commissioner’s Regulations §90.3, Public Library Systems provide Coordinated Outreach Library Services directly and through their member libraries to New Yorkers who are most in need and who often are not regular library users.

#### Program Basics

I. Each System provides service to all or some of the following **target populations**:

- Blind/Physically Disabled
- Aged
- Developmentally or learning disabled
- Institutionalized
- Members of ethnic/minority groups in need of special services
- Educationally Disadvantaged
- Unemployed/Underemployed
- Geographically isolated

II. Each System must employ at least one full-time, certified librarian with expertise in providing public library outreach service.

III. Each System maintains a **Coordinated Outreach Services Advisory Group** which meets at least twice a year, includes 5-11 members, includes members of the target population groups and agencies who work with these groups within the system’s service area, and one director of a member library. Council members are to serve three-year terms

Each public library system receives **Coordinated Outreach State Aid**: $43,000 plus $.13 per capita population annually.

### State Aid for Services to State Correctional Facility Libraries

Under New York State Education Law, §285 (1); Commissioner’s Regulations §90.14, seventeen of the 23 public library systems receive state correctional facility aid.

#### Program Basics

I. Each System must meet with state correctional facility General Library librarians annually to negotiate a plan to make System library resources available to the facilities general population. The plan must include:

- the identification of the eligible State correctional facility libraries in the system area, and the reasons given by any such facility which elects not to participate
the identification of system personnel involved in negotiating the plan of service with participating correctional facility libraries and of the personnel responsible for implementation of such plan, including any consultant services to be provided

- a description of how the public library system resources will be made available for the educational, cultural and recreational needs of the inmates

- an agreement on procedures to recover or replace missing or damaged materials loaned to a participating facility library

Each public library system receives **State Aid for Services to State Correctional Facilities**: $9.25 per inmate based on population in each correctional facility in the system’s service area as of July 1 of the previous year. The New York State Department of Corrections provides the population figure to Library Development.

**County Jail “Interinstitutional” Aid**

Under New York State Education Law, §285 (2); Commissioner's Regulations §90.14, provides each system with one or more county jails with an amount based on the population in the jails as of July 1 of the previous year. The New York State Commission of Correction provides the population figure to Library Development. The total statewide aid is set at $175,000.

**Examples of STLS Outreach Services**

The following services are offered to STLS member libraries, state and county correctional facilities, and area residential facilities housing coordinated outreach populations. Note that STLS general funds pay for housing these services: building upkeep, heat, lights, etc. State law & Commissioner’s regulations forbid using outreach grant funding to pay for these costs.

- Training of library staff to provide library services to targeted outreach populations. (Coordinated Outreach Services, State Correctional Facility, and County Jail funding)
- Build library awareness and connect underserved populations with library services by offering speaker services and presentations at community events. (Coordinated Outreach Services, State Correctional Facility, and County Jail funding)
- Consultant services on outreach topics to libraries and on library services to agencies/organizations (Coordinated Outreach Services, State Correctional Facility, and County Jail funding)
- Downloadable Audio books and eBooks (Coordinated Outreach Services)

Staff Performance Evaluation: Guide

The following evaluation form is designed to formally document the performance of an employee during a specified period of review. It is also expected that informal communication between the supervisor and employee regarding job performance will be ongoing throughout the review period.

The performance evaluation process should allow employees to further understand what is expected from them, how well they are doing and how they can improve job-related performance. Finally, the supervisor and employee will together decide on development goals for the upcoming year.

✦ Procedures

- The employee and supervisor will each review the employee’s current Job Description (to be attached to this evaluation form).

- Supervisors will assign one overall rating for each of the five Performance Factors. Ratings for each performance factor should be considered according to the needs of each department and the employee’s job description. The possible ratings are as follows:
  - Does Not Meet Expectations—Performance is significantly below expectations.
  - Meets Expectations—Proficient in the performance factor.

- An employee’s notable achievements, outstanding work performance and/or job-related strengths can be formally documented in the Notes/Comments section of the relevant performance factor. Work on special projects may also be noted. A supervisor should also use this section to substantiate a “Does Not Meet
Expectations” rating with specific examples of job performance that were unsatisfactory, and/or comment on how the employee could improve their job performance.

- The **Action Plan & Development Goals** section provides an opportunity for the employee and supervisor to identify and discuss up to three training, education and/or professional growth priorities for the upcoming evaluation period, as well as review any previously established goals.

- The **Comments & Signatures** section offers both the employee and supervisor a formal opportunity to include their written comments regarding the employee’s performance evaluation. Signatures of the employee, supervisor, and system director are required before the performance evaluation is added to the employee’s personnel file.

**Timeline**

- Evaluations are required following an employee’s probationary period and on an annual basis. The annual evaluation process will generally be performed in all departments during the month of January.
- A workday is defined in this context as an employee’s regularly scheduled work day, excluding weekends, vacations, holidays and scheduled time off.
- The supervisor and employee will meet and discuss the employee’s performance evaluation. This meeting will be held no later than five workdays after the evaluation form has been filled in by the supervisor.
- A copy of the evaluation form filled in by the supervisor will be provided to the employee within five workdays of the meeting.
- An employee who does not agree with a rating received in any area of the evaluation may submit a statement of rebuttal in the space provided for employee comments, or as an attachment. The employee has up to 15 workdays in which to respond to the evaluation and return the form to the supervisor.
- When the evaluation form is turned in to the supervisor, both the employee and supervisor will sign and date the form. The supervisor will then immediately pass the form on to the system director.
- The system director will have five workdays to review, sign and return copies of the evaluation form to the employee and the supervisor, and a copy will be placed in the employee’s personnel file.

This evaluation form was developed in August 2002 by a seven-member committee, with the participation of representatives from the STLS Staff Organization and STLS Administration.

WHEREAS, the Southern Tier Library System has reviewed the Plan established in accordance with Section 457 of the Internal Revenue Code and Section 5 of the State Finance Law of the State of New York; and

WHEREAS, the purpose of the Plan is to encourage employees to make and continue careers with the Southern Tier Library System by providing eligible employees with a convenient and tax-favored method of saving on a regular and long-term basis and thereby providing additional funds for their retirement;

NOW, THEREFORE, it is hereby:

RESOLVED, that the Southern Tier Library System hereby adopts the Plan for the voluntary participation of all eligible employees; and it is further

RESOLVED, that the appropriate officials of the Southern Tier Library System are hereby authorized to take such actions and enter such agreements as are required or necessary for the adoption, implementation, and maintenance of the Plan; and it is further

RESOLVED, that the Administrative Services Agency is hereby authorized to file copies of these resolutions and other required documents with the President of the State of New York Civil Service Commission.
SOUTHERN TIER LIBRARY SYSTEM
BY-LAWS

ARTICLE I
Name

This organization shall be known as the Southern Tier Library System.

ARTICLE II
Purpose

The purpose of the Southern Tier Library System shall be to expand and improve public library service in the counties of Allegany, Chemung, Schuyler, Steuben and Yates in the State of New York.

ARTICLE III
Membership

Section 1.

Membership of the Southern Tier Library System (henceforth referred to as the System) shall be open to all libraries chartered by the New York State Board of Regents within the five county area served by the system.

Section 2.

An Annual Membership Meeting of the System shall be held each year, preferably in October. The Executive Director of the System shall be responsible for notifying the member libraries of the time and place of the Annual Membership Meeting. Each member library shall be represented at the Annual Membership Meeting by an individual selected by the Board of Trustees of that library. That individual shall cast one vote in all actions taken at the Annual Membership Meeting.

Section 3.

An agenda for the Annual Meeting shall be forwarded to each member library at least thirty days in advance of the Annual Meeting. A minimum of three items shall be placed on the Annual Meeting agenda: (1) Election of Trustees, as needed, to the Board of Trustees of the System -- this election shall be made by the representatives of the member libraries present at the meeting; (2) A brief report by the Executive Director of the System on the performance of the System during the previous 12 months and plans for the year ahead; (3) A report by the Executive Director regarding the audited finances of the System for the previous financial year.
ARTICLE IV
Board of Trustees

Section 1.

The System shall be governed by a Board of Trustees consisting of fifteen members. Each member of the Board of Trustees shall reside within the county he/she will represent on the Board. Ten of the Board positions shall be distributed equally between the five counties comprising the System. In recognition of the population differences between the five counties, the remaining Board positions shall be assigned as follows: Allegany County, one additional Trustee; Chemung County, two additional Trustees; and Steuben County, two additional Trustees. At least two, but not more than two, of the four Steuben County Trustees shall reside in the Southeast Steuben County Library service area. All Trustees shall be nominated by the member libraries in the counties they represent. Current employees of the System and current employees of member libraries shall be disqualified from serving as Trustees of the System.

Section 2.

When a vacancy occurs on the Board of Trustees, whether through the normal completion of a Trustee’s authorized period of service, or the departure before the completion of an authorized period of service, the Public Relations Committee shall, in a timely fashion, actively canvass the library community in each county wherein the vacancy exists to identify and nominate one or more candidates. In the case where the term was completed by a Trustee fulfilling the authorized period of service, the candidate or candidates shall stand for election at the next Annual Membership Meeting. In the case of a premature ending of a term, the candidate or candidates shall be presented to the current Board of Trustees for consideration for appointment as a Trustee, as noted in Article IV, Section 5.

Section 3.

A term of office of a Trustee shall be five calendar years, beginning on January 1. Terms of Trustees shall be staggered so that three expire each year. A Trustee may not be elected to more than two consecutive full five-year terms. Following such service a Trustee may again be appointed or selected after an interim of at least one year.

Section 4.

The President of the Board of Trustees shall inform, in writing, all Member Library Trustee and Reading Center Board Presidents of the System of the nominating process described in this section and encourage them to recommend potential candidates to the Public Relations Committee. At the same time, the Member Library and Reading Center
Directors shall also be informed by a copy of the communication from the President of the Board of Trustees. The communications shall make clear that, where a System Trustee or Trustees have indicated a willingness to serve an additional five-year term, this in no way precludes the nomination of other candidates for election to the position.

Additional candidates may be nominated from the floor at the Annual Membership Meeting. These nominations shall be made solely by representatives from libraries in the same county as that of the Trustee position to be filled.

Section 5.

In the event of a vacancy on the board occurring during an unexpired term, a successor Trustee shall be elected by the remaining Trustees to serve from the day of election until the next Annual Meeting. Candidates for this Trustee position shall be nominated by the same process as stated in Section 4 of this Article.

In the event that, after diligent effort by the Public Relations Committee, no candidate for an expired term is available for election at the Annual Meeting, the Public Relations Committee shall continue their efforts to identify a candidate for the open position. Such a candidate will be elected by the remaining Trustees to serve from the day of election until the next Annual Meeting.

Section 6.

In accordance with New York State Education Law, Section 226(4), “If any trustee shall fail to attend three consecutive meetings without excuse accepted as satisfactory by the trustees, he shall be deemed to have resigned...” The vacancy shall be filled in accordance with the provisions in Article IV, Section 5 of the System by-laws. Therefore, each Trustee shall notify either the Board President or the Executive Director in advance if unable to attend a Board meeting.

The Board of Trustees may remove a Trustee for misconduct, incapacity, neglect of duty, or refusal or failure to carry into effect the System’s purpose as defined in the mission statement. In the event that information is brought forward that a Trustee is engaged in behavior(s) that suggest that the Trustee should be removed from the Board, the Trustee may be subject to a removal hearing conducted by the Board in a special meeting called for that purpose upon at least ten (10) days written notice specifying the time and place of such hearing and a description of the allegations.

The President of the Board, if not the accused, or the Vice President if the President is the accused, shall preside over such meeting as he would over any other Board meeting. The presiding officer will appoint a Board Trustee to present the substance of the allegations and the proof thereof and the accused Trustee will be permitted a full and fair opportunity to respond.
The hearing will take place in Executive Session which is not a hearing on the record, nor is it open to the public. Each Trustee shall have one vote, except for the accused. If the number of Trustees present at this Executive Session who vote in favor of removal constitutes a two-thirds majority vote of the full fifteen-member Board of Trustees then the motion shall be carried. For the purpose of this hearing, including the subsequent open meeting as noted below, the President or the presiding officer shall have a vote. Immediately following the Executive Session, if there is a determination that the accused Trustee is subject to removal, a resolution in open meeting shall be moved to a vote for the accused Trustee to be removed from the Board. The accused Trustee shall not be permitted to vote in the open meeting. This resolution shall require a two-thirds majority vote of the full fifteen-member Board of Trustees to become effective.

As directed by New York State Public Education Law, Section 226, the Executive Committee may not make removals from office.

Section 7.

Every Trustee, Officer, Executive Director and staff member of the System shall be indemnified by the System to the fullest extent provided by New York State law for claims arising out of the employee's duties for the System. The foregoing right of indemnification shall not be exclusive of any other right to which such person may be entitled.

ARTICLE V
Officers

Section 1.

GENERAL STATEMENT OF POLICIES

APPLIES TO: STLS Board of Trustees and Executive Director
References: STLS Authority of the Board Policy
Handbook for Library Trustees for New York State

It is the responsibility of the Board of Trustees to establish and maintain written policies to ensure the effective operation of the Southern Tier Library System. Policymaking is an important part of a Trustee’s job, requiring a thoughtful study of the issues involved and a deep understanding of the System’s mission. The STLS Board is required by the NYS Commissioner’s Regulation 90.2 to create certain policies as part of the minimum standards set by the Board of Regents for libraries and systems. These policies are intended to be used by the Board of Trustees for its own functions. The Board of Trustees is responsible for reviewing and revising these policies on a timely basis as well as ultimately enforcing them with the assistance of the Library System staff.

This policy Manual included the STLS By-Laws, policies that deal with board operations and external policies that deal with issues concerning member libraries and, to a lesser extent, the public. The STLS Policies Committee will seek input from the Executive Director when developing new policies or revising existing policies. The Policy Committee will establish procedures that apply to board functions. The Executive Director will implement those operations procedures necessary to comply with approved policies.

Policies established by the Board must comply with current laws and regulations and be consistent with the System’s mission, goals and plans. Every effort has been made to have each policy be clearly written, easily understandable and enforceable without undue burden on System staff. Each policy in this manual has been formally adopted by the Board of Trustees, and the date of the latest revision noted.

Each policy under development or review will be presented to the Board at one meeting for review and possible discussion, and presented to the Board at the next meeting for Board action.

The Policies Committee of the STLS Board of Trustees will undertake to review and, if necessary, revise each policy once every five years from the date of adoption or latest revision. New proposals for policies must be presented to the Policies Committee for approval before being presented to the Board of Trustees for adoption.

Keeping the master records of the Policy Manual will be the responsibility of the STLS Board Secretary. Each Trustee will be given a complete copy of the Policy Manual and copies of the Policy Manual must be on file at the System Headquarters, and be easily accessible by staff and public.

Committee reports are agenda items and minutes of the most recent committee meeting will be included in the board packet. The committee chair or designee may give an oral report. Any board action items on the agenda stemming from a committee recommendation will automatically proceed to discussion and vote. The committee recommendation is the motion and no second is needed.

As stated in the STLS Bylaws, and in accordance with New York State Law the requirement for a quorum at full Board meetings is eight.

The quorum for the Executive committee is three; all other committee meetings will have a quorum of “a majority of the enrolled members.”
Committee meetings are subject to the Open Meetings law. However, informal committee discussions and conferring by telephone or e-mail is acceptable as long as any decision made is confirmed by a formal vote in open meeting.

Closed meeting or Executive Session:

First, a motion must be made during an open meeting to enter into executive session;

Second, the motion must identify the ‘general area or areas of the subject or subjects to be considered’; and

Third, the motion must be carried by a majority vote of the total membership of the public body.

There are eight areas that may be discussed behind closed doors are:

(a) Matters which will imperil the public safety if disclosed;

(b) Any matter which may disclose the identity of a law enforcement agency or informer;

(c) Information relating to current or future investigation or prosecution of a criminal offence which would imperil effective law enforcement if disclosed;

(d) Discussions regarding proposed, pending or current litigation;

(e) Collective negotiations pursuant to Article 14 of the Civil Service Law (Taylor Law)

(f) The medical, financial, credit or employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation;

(g) The preparation, grading or administration of examinations;

(h) The proposed acquisition, sale or lease of real property or the proposed acquisition of securities, or the sale or exchange of securities held by such public body, but only when publicity would substantially affect the value thereof.

A public body may never vote to appropriate public monies during a closed session. Although most public bodies may vote during a properly convened executive session, any vote to appropriate public monies must be taken in public.

Note that item (f) is often referenced as “personnel,” even though that term does not appear in the grounds for holding executive sessions. Only when the discussion focuses on a “particular person or corporation” in relation to one or more of the topics listed in that provision is an executive session permitted.

ADOPTED by the STLS Board of Trustees on April 17, 2012
Revised by the STLS Board of Trustees on November 17, 2015
AUTHORITY OF THE BOARD POLICY

APPLIES TO: STLS Board of Trustees

INTRODUCTION
The Board of Trustees of the Southern Tier Library System has broad authority to establish policy and manage the affairs of the System. As an educational corporation chartered by the Regents of the State of New York, this authority is granted to the STLS Board of Trustees by Section 226 of the New York State Education Law, Powers of Trustees of Institutions.

The authority delegated by law to the Board shall be applied as follows. As its prime responsibility, the Board shall ensure that the System is accountable to its members and the public for the System’s finances, property, and programs. The Board will comply with all applicable laws and ethical standards, protect the rights of its staff and members, and exercise fiduciary responsibility in the use of public and private funds.

The oversight authority of the STLS Board includes, but is not limited to: (1) the commitment of all System funds; (2) the disbursement of all System funds, originating from both governmental and non-governmental sources; (3) the review and approval of all contractual commitments to be made by the System; (4) the review and approval of all personnel actions, both of an individual and organizational nature; (5) the delegation of authority where appropriate to individual STLS trustees or members of the STLS staff; and (6) ensuring that the Board acts as a collective authority when interacting with the public, STLS staff and STLS member libraries.

COMMITMENT OF FUNDS

For those individual items, systems, and services included in an annual budget previously approved by the Board and not exceeding $20,000.00 in value, the Executive Director, or his or her designate, may proceed with purchase actions with a vendor as required without additional specific approval by the Board. Individual items, systems, and services, whether included in an approved budget or not, but exceeding $20,000.00 in value, require additional specific approval by the Board before a purchasing action may be initiated with a vendor, except expenditures for those items which have previously been specifically approved by the Board when the grant applications were approved, and the item description of value has not changed. Board approval must be received before moving funds from contingency to pay for an identified need.

The Executive Director may authorize the purchase of an item or service up to $5000.00, even if it is not an approved budget item. In the event of an emergency expenditure exceeding $5000.00, the Executive Director shall ask the President of the Board to poll the Executive Committee of the Board to obtain approval of the expenditure. This action will be reported at the next regular Board meeting.

DISBURSEMENT OF FUNDS

In conformance with the New York State Code of Rules and Regulations, Part 90.6c[11,12] Financial accounting in cooperative library systems and reference and research library resources systems (8NYCRR90.6c[11,12]) the STLS Board of Trustees shall disburse all library funds only on the basis of itemized vouchers which have been
certified by the claimants or the purchasing agent and audited and approved by the Board except as otherwise provided below.

(1). At the beginning of each calendar year, the STLS Board of Trustees shall appoint an individual to be designated as Auditor and an individual to be designated as Alternate Auditor. These persons shall act on behalf of the Southern Tier Library System and shall be considered employees of the System only while performing the duties of Auditor and shall not receive any benefits or rights of regular employees. These individuals so designated may not hold the office of Financial Clerk or Treasurer and they shall be bonded with such penalties and sureties as the Board may require. The Auditor and/or Alternate Auditor shall be authorized by the Board to act on its behalf in the disbursement of all STLS funds in the manner required by 8 NYCRR90.6c [11]. The Auditor and/or Alternate Auditor shall formally examine in each case, a vendor claim form together with its supporting documentation, including but not limited to an original invoice, background ordering information as prescribed by policy, a purchase order if one has been issued, and documentation to show receipt and acceptance of the item or service. The auditing process should determine:

- That the proposed payment is for a valid and legal purpose:
- That the obligation was incurred by an authorized STLS official:
- That the items for which payment is claimed were in fact received, or to ensure that in the case of services, that they were actually rendered;
- That the obligation does not exceed the available funding; and
- That the submitted vendor claim form is in proper form, mathematically correct, does not include previously paid charges and is in agreement with the purchase order or contract.

The Executive Director or his or her designate is authorized to sign Purchase Orders, Invoices marked with a vendor claim stamp, and vendor claim forms and will do so before the Auditor or Alternate Auditor examines the packet. The Executive Director is the only staff member authorized to sign the Purchase Order form for approval of payment. The Board Auditor shall examine each packet in accordance with the provisions of this policy and initial the vendor claim form or vendor claim stamp for approval of payment.

To ensure the timely payment of bills, the audit activity described above shall take place within the existing bi-weekly bill payment schedule.

In the case of inconsistencies pertaining to the review of Accounts Payable, all actions by the Board Auditor and/or Alternate Auditor will be available for review at the next regularly scheduled Board meeting.

(2). If by sickness or any other cause the Auditor or the Alternate Auditor is unable to perform his or her duties the Executive Committee may undertake the Auditor’s responsibilities: The STLS Board President will appoint an eligible member of the Executive Committee to perform the audit.

(3). In conformance with the provisions of 8 NYCRR90.9c [12], the STLS Board may provide by resolution that amounts due upon contracts, for fixed salaries or for compensation of employees regularly engaged at agreed periodic rates, may be paid without prior audit upon submission to the STLS Treasurer of a voucher or payroll duly certified by the STLS Executive Director or his or her duly authorized representative. The STLS Board may, by resolution, annually pre-authorize the disbursement of funds to pay most recurring bills such as utilities, etc. This may be done without prior audit, upon submission to the STLS Treasurer of a voucher. The Board shall then formally approve the disbursement action after the event at the next Board meeting.

---

*“official” means any person authorized to act on behalf of STLS*
signatories shall sign all checks.

CONTRACTUAL COMMITMENTS

The Executive Director or a staff member designated by the Executive Director or a Trustee designated by the President of the Board of Trustees shall negotiate all contracts, except as otherwise provided in paragraphs (1) and (2) below. The Board of Trustees shall approve all contracts involving capital projects, loans, real property leases, grant applications, consultant agreements and major procurements in which a statement of work is required to define the task. The Executive Director shall perform appropriate review and analysis of a proposed contract or contract renewal, or amendment to a contract before submitting it to the Board for approval. If there are issues related to the proposed contract that cannot be resolved at the Board meeting at which the contract is discussed, the President of the Board shall assign the contract to the appropriate committee for further review. A multi-year contract, once approved, does not have to go through the approval process in subsequent years, as long as the terms of the contract are unchanged. Board approval is not required for normal maintenance or service contracts that relate to day-to-day operations. The commitment of funds for these contracts is covered by the STLS Purchasing Policy. All approved contracts shall be signed either by the President or the Executive Director, except as noted below.

(1). Contract negotiations by the System with the Staff Organization of the Southern Tier Library System shall be conducted by an ad-hoc negotiating committee selected by the Board President. Prior to the opening of formal negotiations, the ad-hoc negotiating committee shall make recommendations for negotiating points, issues, and a financial commitment cap to the Board of Trustees for their approval or modification. The Executive Director will participate in the negotiations and the discussions of the ad-hoc committee in an advisory role. The final text of a new contract with the Southern Tier Staff Association shall be submitted to the Board for approval. If approved by the Board, the contract shall be signed by the Board President on behalf of the Southern Tier Library System.

(2). Any negotiations potentially leading to a formal employment contract (not an ‘at will’ arrangement) with a candidate for the position of Executive Director shall be conducted by an ad-hoc negotiating committee selected by the Board President. If a contract results from the negotiation, it shall be signed by the Board President.

PERSONNEL ACTIONS

The Board of Trustees is solely responsible for the hiring of a professional and competent STLS Executive Director. The Board is also responsible for the evaluation of the Executive Director’s performance on a regular basis and for the termination of the Director’s employment when this action is required. The Board creates all other positions, establishes salaries, and formally appoints and discharges staff on the recommendation of the Executive Director. In conformance with the provisions of New York State Education Law (Section 226-7, Officers and employees and 226-8, Removals and suspensions) the STLS Trustees shall approve all personnel actions a legal meeting of the Board.

The Executive Committee is authorized to appoint staff on behalf of the Board only in the following circumstances; to fill a vacant staff position, other than that of Executive Director, that has already been authorized by the Board and funded in the annual budget where action by the full Board may cause an unacceptable time delay injurious to the well-being of the System. As required by the STLS By-Laws, the chairman of the Executive Committee shall report the Committee’s actions to the Secretary for distribution to the Trustees at the time of notification of the next Board meeting.

Personnel actions are not final until they have been approved by the Board or Executive Committee as described above. In any personnel action at STLS, whether involving a current or potentially new employee,
the individual involved should be made aware that he or she has not been formally hired or separated from employment by STLS until Board action has been completed.

DELEGATION OF AUTHORITY

In certain circumstances the Board may delegate authority to the Executive Director. The scope and degree of this delegation is documented in this and other policy documents, in the by-laws of the System, in the job description of the position of Executive Director and any associated employment contract.

BOARD INTERACTIONS WITH THE PUBLIC, STLS STAFF, AND STLS MEMBER LIBRARIES

The STLS Board of Trustees exercises a collective authority. As noted in the Handbook for Library Trustees of New York State, “Individual trustees, regardless of their position on the Board, do not have the power to command the services of a staff member, nor to speak or act on behalf of the System unless they have been specifically granted that authority by a vote of the Board.” Every STLS Trustee is expected to publicly support, as the Board's official position, all decisions adopted by the Board. Should a Trustee disagree with any Board decision, he or she should first address the whole Board with those concerns at a regularly scheduled Board meeting.

Under the First Amendment of the United States Constitution, the rights of a Trustee who strongly disagrees with a Board decision are protected, should he or she speak out publicly against it. However, in such instances, the individual must make it clear to all concerned that he or she does not represent the Board’s position in the matter.

STLS POLICY MANUAL

CHARTERED PUBLIC LIBRARIES POLICY

APPLIES TO: Established Reading Centers in STLS Service Region

The Southern Tier Library System, a regional consortium of chartered public libraries, works in partnership with its members to support and strengthen them through clearly defined, cost-effective services that make possible the coordination and sharing of resources, enabling all individuals in the five-county region to have equal access to excellent library services.

The intent of this document is to assist reading centers identify with public library best practices, and strive for standards set by the field of public librarianship.

In order to apply fair and equitable practices to all chartered public libraries, the STLS Board of Trustees has created formal requirements for services to the established reading centers of Arkport, Greenwood, Hector, Middlesex and Rushville.
In these days of transparency and accountability, the System requires each Reading Center meet most Minimum Standards for Chartered Public Libraries.

These standards, adopted by the NYS Education Department and Division for Library Development in 1994 require that all libraries:

- have a Board of Trustees of at least three (3) members;
- have Board of Trustees’ meetings at least four (4) times a year;
- be governed by written By-Laws which outline the responsibilities and procedures of the Reading Center Board of Trustees;
- has Board-approved written policies for the operation of the Reading Center and oversight of its finances;
- has a Board-approved, written Long Range Plan of Service;
- presents a written budget annually to the appropriate funding agencies which would enable the Reading Center to meet or exceed these standards, and carry out its Long Range Plan of Service;
- annually present a narrative report to the community on the Reading Center’s progress toward meeting its goals and objectives, as well as a statistical report to the Southern Tier Library System;
- periodically evaluates the effectiveness of the Reading Center’s collection and services in meeting community needs;
- maintains a facility adequate to meet community needs, including adequate space, lighting, shelving, seating, and a restroom;
- compiles and maintains regular library records;
- maintains its collection with standard library classification and arrangement;
- provides equipment and connections to meet community needs including, but not limited to telephone, photocopier, telefacsimile capability, and microcomputer or terminal with printer to provide access to other library catalogs and other electronic information;
- distributes printed information listing the library’s hours open, borrowing rules, services, location and phone number.

In addition, each STLS reading center must provide its community with:
• a Reading Center Director hired (implies paid) and trained in local library practices;

• open at least 12 regularly scheduled hours per week all year

Any Reading Center not meeting the requirements of this policy within three years will be placed on probationary status. Should the condition continue, STLS will withdraw its services from Reading Centers.

Communities wishing to create a reading center are ineligible for services from Southern Tier Library System. STLS will partner with local communities to create a new chartered public library under the Board of Regents. Charter applications for public libraries must meet all criteria outlined by the Board of Regents.

Southern Tier Library System will work with all reading centers to apply for, and leverage sustainable funds to provide services aligning with public library best practices. Reading centers will need to work within the scope of Minimum Standards for Public Libraries, chartered service areas and mechanisms prescribed in NYS Education Law to become chartered entities within five (5) years.

Request for Reconsideration of Library Materials

This Collection Management policy reflects the philosophy and mission of the Southern Tier Library System, its Board of Trustees and its staff. In accordance with the guidelines included in the American Library Associations’ Library Bill of Rights, Freedom to Read and Freedom to View Statements, the Southern Tier Library System has developed and maintains a collection of materials, both print and digital that meets the needs of a diverse community of member libraries and library staff.

The overall responsibility for the materials collection rests with the Board of Trustees in its collective authority. The responsibility for selection of materials in the collection rests with the Executive Director and qualified members of the professional STLS staff. Materials for the STLS collections will be selected by STLS professional staff.

The main purposes of the STLS collection are to provide and organize library materials that:

1. Assist System and member library staff and trustees in developing and enhancing their library skills;
2. Support member libraries as they assist individuals fulfilling their needs for recreational, cultural and educational materials;

3. Assist member libraries in providing access to library materials to members of Coordinated Outreach populations.

4. Identify and encourage use of new formats and technologies.

5. Assist member libraries to respond to changes in demographics

While some STLS materials are of lasting importance, the majority are of temporary value, purchased to reside off-site by augmenting or supplementing member library or facility collections and encouraging cooperative collection development.

STLS considers reputable, professionally prepared review literature and other sources in the selection, and purchase of new library materials as well as selection of older or donated materials.

Selection criteria include:

1. Content
2. Format
3. Currency
4. Relation to the current collection
5. Price
6. Demand

A selected work need not satisfy all criteria listed above to be included in the collection.

It is an essential role of the public library to make all, including possible controversial materials, freely available to all patrons. STLS supports its member libraries in this role by collecting materials representing minority or controversial viewpoints not owned by member libraries and supplementing titles on lightly represented topics or formats. However, it is not the role of STLS to advocate for or endorse any particular idea, opinion, or point of view; nor will STLS act in loco parentis. Any community member wishes to express opinions regarding STLS materials on loan to a member library should use local member library procedures established by its Board of Trustees.

The Board of Trustees recognizes the importance of providing a procedure whereby opinions from the member libraries regarding materials selected can be voiced. A request for reconsideration must be made in writing on forms provided by STLS. These forms are available upon request from the STLS Headquarters and upon completion, should be mailed to the STLS Executive Director. Upon receipt of the signed form, the Executive Director will convene a committee with the Executive Director and two professional librarians not involved in the selection of the material.

Within two weeks the committee shall:
1. Examine the material in question, the issues raised and the circumstances involved.

2. Make a decision to remove or retain the material in question.

3. Notify the American Library Association of any challenges.

The Executive Director will respond in writing by certified mail to the member library within 10 days of the committee’s decision.

Should the member library wish to appeal the decision, the member library Board of Trustees President may write to the President of the STLS Board of Trustees to request a hearing by the STLS Board. The STLS Board will complete a review of the issue within 90 days and respond to the member library Board of Trustees as soon as may be possible after such review. Any further appeal must be made to the Commissioner of Education in Albany, N.Y.

STLS POLICY MANUAL

FREEDOM TO READ POLICY

American Library Association - The Freedom to Read Statement
The freedom to read is essential to our democracy. It is continuously under attack. Private groups and public authorities in various parts of the country are working to remove or limit access to reading materials, to censor content in schools, to label "controversial" views, to distribute lists of "objectionable" books or authors, and to purge libraries. These actions apparently rise from a view that our national tradition of free expression is no longer valid; that censorship and suppression are needed to counter threats to safety or national security, as well as to avoid the subversion of politics and the corruption of morals. We, as individuals devoted to reading and as librarians and publishers responsible for disseminating ideas, wish to assert the public interest in the preservation of the freedom to read.

Most attempts at suppression rest on a denial of the fundamental premise of democracy: that the ordinary individual, by exercising critical judgment, will select the good and reject the bad. We trust Americans to recognize propaganda and misinformation, and to make their own decisions about what they read and believe. We do not believe they are prepared to sacrifice their heritage of a free press in order to be "protected" against what others think may be bad for them. We believe they still favor free enterprise in ideas and expression.

These efforts at suppression are related to a larger pattern of pressures being brought against education, the press, art and images, films, broadcast media, and the Internet. The problem is not only one of actual censorship. The shadow of fear cast by these pressures leads, we suspect, to an even larger voluntary curtailment of expression by those who seek to avoid controversy or unwelcome scrutiny by government officials.

Such pressure toward conformity is perhaps natural to a time of accelerated change. And yet suppression is never more dangerous than in such a time of social tension. Freedom has given the United States the elasticity to endure strain. Freedom keeps open the path of novel and creative solutions, and enables change to come by choice. Every silencing of a heresy, every enforcement of an orthodoxy, diminishes the toughness and resilience of our society and leaves it the less able to deal with controversy and difference.

Now as always in our history, reading is among our greatest freedoms. The freedom to read and write is almost the only means for making generally available ideas or manners of expression that can initially command only a small audience. The written word is the natural medium for the new idea and the untried voice from which come the original contributions to social growth. It is essential to the extended discussion that serious thought requires, and to the accumulation of knowledge and ideas into organized collections.

We believe that free communication is essential to the preservation of a free society and a creative culture. We believe that these pressures toward conformity present the danger of limiting the range and variety of inquiry and expression on which our democracy and our culture depend.

We believe that every American community must jealously guard the freedom to publish and to circulate, in order to preserve its own freedom to read. We believe that publishers and librarians have a profound responsibility to give validity to that freedom to read by making it possible for the readers to choose freely from a variety of offerings.

The freedom to read is guaranteed by the Constitution. Those with faith in free people will stand firm on these constitutional guarantees of essential rights and will exercise the responsibilities that accompany these rights.

We therefore affirm these propositions:

1. *It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox, unpopular, or considered dangerous by the majority.*
Creative thought is by definition new, and what is new is different. The bearer of every new thought is a rebel until that idea is refined and tested. Totalitarian systems attempt to maintain themselves in power by the ruthless suppression of any concept that challenges the established orthodoxy. The power of a democratic system to adapt to change is vastly strengthened by the freedom of its citizens to choose widely from among conflicting opinions offered freely to them. To stifle every nonconformist idea at birth would mark the end of the democratic process. Furthermore, only through the constant activity of weighing and selecting can the democratic mind attain the strength demanded by times like these. We need to know not only what we believe but why we believe it.

2. Publishers, librarians, and booksellers do not need to endorse every idea or presentation they make available. It would conflict with the public interest for them to establish their own political, moral, or aesthetic views as a standard for determining what should be published or circulated.

Publishers and librarians serve the educational process by helping to make available knowledge and ideas required for the growth of the mind and the increase of learning. They do not foster education by imposing as mentors the patterns of their own thought. The people should have the freedom to read and consider a broader range of ideas than those that may be held by any single librarian or publisher or government or church. It is wrong that what one can read should be confined to what another thinks proper.

3. It is contrary to the public interest for publishers or librarians to bar access to writings on the basis of the personal history or political affiliations of the author.

No art or literature can flourish if it is to be measured by the political views or private lives of its creators. No society of free people can flourish that draws up lists of writers to whom it will not listen, whatever they may have to say.

4. There is no place in our society for efforts to coerce the taste of others, to confine adults to the reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.

To some, much of modern expression is shocking. But is not much of life itself shocking? We cut off literature at the source if we prevent writers from dealing with the stuff of life. Parents and teachers have a responsibility to prepare the young to meet the diversity of experiences in life to which they will be exposed, as they have a responsibility to help them learn to think critically for themselves. These are affirmative responsibilities, not to be discharged simply by preventing them from reading works for which they are not yet prepared. In these matters values differ, and values cannot be legislated; nor can machinery be devised that will suit the demands of one group without limiting the freedom of others.

5. It is not in the public interest to force a reader to accept the prejudgment of a label characterizing any expression or its author as subversive or dangerous.

The ideal of labeling presupposes the existence of individuals or groups with wisdom to determine by authority what is good or bad for others. It presupposes that individuals must be directed in making up their minds about the ideas they examine. But Americans do not need others to do their thinking for them.

6. It is the responsibility of publishers and librarians, as guardians of the people’s freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own
standards or tastes upon the community at large; and by the government whenever it seeks to reduce or
deny public access to public information.

It is inevitable in the give and take of the democratic process that the political, the moral, or the
aesthetic concepts of an individual or group will occasionally collide with those of another individual or
group. In a free society individuals are free to determine for themselves what they wish to read, and
each group is free to determine what it will recommend to its freely associated members. But no group
has the right to take the law into its own hands, and to impose its own concept of politics or morality
upon other members of a democratic society. Freedom is no freedom if it is accorded only to the
accepted and the inoffensive. Further, democratic societies are more safe, free, and creative when the
free flow of public information is not restricted by governmental prerogative or self-censorship.

7. It is the responsibility of publishers and librarians to give full meaning to the freedom to read by
providing books that enrich the quality and diversity of thought and expression. By the exercise of this
affirmative responsibility, they can demonstrate that the answer to a "bad" book is a good one, the
answer to a "bad" idea is a good one.

The freedom to read is of little consequence when the reader cannot obtain matter fit for that reader's
purpose. What is needed is not only the absence of restraint, but the positive provision of opportunity
for the people to read the best that has been thought and said. Books are the major channel by which
the intellectual inheritance is handed down, and the principal means of its testing and growth. The
defense of the freedom to read requires of all publishers and librarians the utmost of their faculties, and
deserves of all Americans the fullest of their support.

We state these propositions neither lightly nor as easy generalizations. We here stake out a lofty claim for the
value of the written word. We do so because we believe that it is possessed of enormous variety and usefulness,
worthy of cherishing and keeping free. We realize that the application of these propositions may mean the
dissemination of ideas and manners of expression that are repugnant to many persons. We do not state these
propositions in the comfortable belief that what people read is unimportant. We believe rather that what
people read is deeply important; that ideas can be dangerous; but that the suppression of ideas is fatal to a
democratic society. Freedom itself is a dangerous way of life, but it is ours.

Guidelines for Implementing Gift Acceptance Policy

The mission of the Southern Tier Library System is to “expand and improve public library service” within the five county service area. To this end, STLS will accept gifts with the following considerations:

1. STLS will accept new or used library materials, such as books, electronic media, etc. if they are in good physical condition and if, in the opinion of the System staff responsible for selection they meet objective criteria for the selection of library materials as specified in the STLS Materials Selection Policy.

2. Although donors are encouraged to make gifts of monies, personal property, real property, securities, or equivalent to The Foundation For Southern Tier Libraries, gifts of this sort may be accepted by STLS. STLS will convert gifts of real property and securities to cash in a timely manner.

3. Cash gifts in memory or honor of individuals will be accepted by STLS and will be used to enhance System resources.

4. All forms of gifts or donated properties may be subject to review prior to acceptance as noted in the attached implementation guidelines. STLS will seek the advice of legal counsel in matters relating to the acceptance of gifts when appropriate.

In accordance with the STLS Conflict of Interest Policy, in no case shall a Southern Tier Library System Trustee or staff member accept personal gifts, gratuities, or favors from any person, firm, or corporation doing business with, or seeking to do business with STLS that might appear to influence his or her actions affecting the Southern Tier Library System.

GIFT ACCEPTANCE POLICY IMPLEMENTATION GUIDELINES

The President of the STLS Board of Trustees will review all restricted gifts and gifts over $500 in value prior to presentation to the Board of Trustees for the normal approval process.

The Southern Tier Library System (STLS) will seek the advice of legal counsel in matters relating to acceptance of gifts when appropriate. Review by counsel is recommended for:
1. Gifts of securities that are subject to restrictions or buy-sell agreements.
2. Documents naming STLS as trustee or requiring STLS to act in any fiduciary capacity.
3. Gifts requiring STLS to assume financial or other obligations.
4. Transactions with potential conflicts of interest
5. Gifts of property which may be subject to environmental or other regulatory restrictions.

GIFTS GENERALLY ACCEPTED

A. Cash gifts are acceptable by check, money order, or online payment.

B. Marketable Securities. In some cases marketable securities may be restricted, for example, by applicable securities laws or the terms of the proposed gift; in such instances the decision whether to accept the restricted securities shall be made by the Board of Trustees. Marketable securities may be transferred electronically to an account maintained at one or more brokerage firms or delivered physically with the transferor’s endorsement or signed stock power (with appropriate signature guarantees) attached. All marketable securities will be sold promptly upon receipt.

C. Bequests and Beneficiary Designations under Revocable Trusts, Life Insurance Policies, Commercial Annuities and Retirement Plans. Donors may make bequests to STLS under trusts, life insurance policies, commercial annuities and retirement plans.

D. Charitable Remainder Trusts. STLS will accept designation as a remainder beneficiary of charitable remainder trusts which will receive the assets of a trust when the donor dies.

E. Charitable Lead Trusts. STLS will accept designation as an income beneficiary of charitable lead trusts, which will allow STLS to receive income from a trust until the donor dies.

F. Tangible Personal Property. The STLS Board of Trustees shall review and determine whether to accept any gifts of tangible personal property in light of the following considerations: Does the property further the mission of STLS? Is the property marketable? Are there any unacceptable restrictions imposed on the property? Are there any carrying costs for the property for which STLS may be responsible? Is the title/provenance of the property clear?

G. Life Insurance. STLS will accept gifts of life insurance where STLS is named as both beneficiary and irrevocable owner of the insurance policy. The donor must agree to pay, before due, any future premiums owing on the policy.

H. Real Estate/Real Property. All gifts of real estate are subject to review by the STLS Board of Trustees. Prior to acceptance of any gift of real estate STLS shall require an initial environmental review by a qualified environmental firm. In the event that the initial review reveals a potential problem, the organization may retain a qualified environmental firm to conduct an environmental audit. Criteria for acceptance of gifts of real estate include: Is the property useful for STLS’s purposes? Is the property readily marketable? If there
are structures on the property, has a safety inspection been performed by a licensed inspector? Are there covenants, conditions, restrictions, reservations, easements, encumbrances or other limitations associated with the property? Are there carrying costs (including insurance, property taxes, mortgages, notes, or the like) or maintenance expenses associated with the property? Does the environmental review or audit reflect that the property is damaged or otherwise requires remediation?

GRANT FUNDS POLICY

Federal and New York State grant funds issued to STLS or passed through by STLS to member libraries will be managed by the Executive Director or his/her designee in accordance with applicable Federal and New York State laws, and policies and procedures approved by the STLS Board of Trustees. Grants from local governments and non-profit organizations will be managed by the Executive Director or his/her designee in accordance with the grantors’ requirements and standard business practices. Grant funds which are designated for the direct benefit of member libraries shall be passed on to them in a timely manner following receipt of the funds by the System.

It is the policy of the Southern Tier Library System not to advance payment to any library for grant funds prior to receiving the grant money at STLS.

Libraries which participate in programs where delayed funding is expected should be prepared to either begin the project with their own institutional funds at their own risk, or wait until STLS has received the grant funds.

information in a regional shared database. It also stores other information such as borrowing records and other confidential and private information.

The System must comply with New York State Laws on Library Records which states that all library records shall be confidential and not be disclosed except that such records may be disclosed to the extent necessary for the proper operation of [the] library, and shall be disclosed upon request of the user or pursuant to subpoena, court order or where otherwise required by statute.5

The System is also obligated to protect this sensitive information by providing up-to-date and continually monitored deterrents to the rapidly increasing threat of identity theft. To this extent, the System has, and will continue to strengthen the security of patron information and records in the shared integrated databases by restricting access to libraries with secure telecommunications connections. This will be accomplished by either data circuitry or virtual private networks or other means, and by maintaining internal firewalls and other protections on its servers and equipment. STLS does not collect or store library user social security numbers.

INTRODUCTION:

The Southern Tier Library System, a regional consortium of public libraries, works in partnership with its members to support and strengthen them through clearly defined, cost-effective services that make possible the

5 Civil Practice Laws and Rules, Sec. 4509. Consolidated Laws of New York State. NY Code website, 2012
coordination and sharing of resources, enabling all individuals in the five-county region to have equal access to excellent library services.

Southern Tier Library System (STLS) supports the goals and objectives of the New York State Division of Library Development’s Internet-Ready Libraries Program. To assist individual System members to use computers and telecommunications technology, access a full range of library resources, and provide the services of skilled library personnel needed in order to be an Internet-Ready Library and an integral part of the statewide electronic learning community, STLS:

1. operates an Integrated Library System (ILS), currently Sirsi/Dynix, that allows member libraries to participate in a shared patron database and the shared online catalog (STARCat) as well as to circulate materials electronically;
2. provides member libraries with technical assistance on the use of hardware, software and peripherals used to access the STLS automated network;
3. maintains a wide-area network that provides access to the Internet for libraries that have no other high-speed access, and connects libraries to the STLS ILS for sharing of library resources.

PRIVACY:

The Southern Tier Library System will take reasonable and prudent measures to protect the privacy of data provided by patrons and generated by the System and its member libraries when using the System’s Integrated Library System (ILS) and the shared wide-area network. The contents of the STLS wide-area network and ILS are confidential; unauthorized users are prohibited from attempting to gain access to the network, or stored information. STLS uses firewall equipment, software and other means to protect the confidentiality of library records. However there is no absolute guarantee of the privacy of personal information stored on STLS network servers and no guarantee of the privacy of information and communications, including e-mail, that travels across the STLS wide-area network. STLS maintains personal information only as long as needed to conduct library business. Library records are legally confidential under New York State law:

New York Civil Practice Law & Rules Section 4509 Library Records.

Library records, which contain names or other personally identifying details regarding the users of public, free association, school, college and university libraries and library systems of this state, including but not limited to records related to the circulation of library materials, computer database searches, inter-library loan transactions, reference queries, requests for photocopies of library materials, films or records, shall be confidential and shall not be disclosed except that such records may be disclosed to the extent necessary for the proper operation of such library and shall be disclosed upon request or consent of the user or pursuant to subpoena, court order or where otherwise required by statute.7

INTERNET ACCESS:

7 Civil Practice Laws and Rules, Sec. 4509. Consolidated Laws of New York State. NYS Code website 2012.
The Internet is a global electronic network, mostly unregulated, on which anyone may place any content or communicate any content. The STLS and its member libraries do not endorse and do not assume responsibility for any content found or any communications made on the Internet.

The STLS maintains an Internet filtering mechanism for use on all computers in the STLS Service Center and in its member libraries. The filtering mechanism will, at a minimum, block access to the three categories of visual depictions specified by the Federal Children’s Internet Protection Act (CIPA)—visual depictions of material deemed child pornography, obscene, or any material deemed harmful to minors. The filtering mechanism can be disabled on individual computers as needed by local libraries. STLS has evaluated various filtering mechanisms before choosing the most appropriate method; however, the System does not warrant the effectiveness of Internet filtering.

It shall be the responsibility of the member libraries on the STLS wide-area network to supervise and monitor the usage of the online computer network and access to the Internet in accordance with this policy and the Children’s Internet Protection Act.

ACCESS BY MINORS:

The valuable information, opportunities for learning and interactions available on this world wide network far outweigh the possibility that users may obtain information that is not consistent with the educational and research goals of this service.

Parents or legal guardians must assume responsibility for deciding which library resources are appropriate for their own children, guiding their children in the use of the Internet and informing them about materials they should not use.

While STLS affirms and acknowledges the rights and responsibilities of parents and guardians to monitor and determine their children's access to materials and resources, including those available through the Internet, the System has taken certain measures designed to assist in the safe and effective use of these resources by all minors.

1. To address the issue of safety and security of minors when using e-mail and other forms of direct electronic communications, as well as the unauthorized disclosure, use and dissemination of personal identification information regarding minors, STLS urges minors and their parents or guardians to keep in mind the following safety guidelines:
   a. Never give out identifying information such as home address, school name, or telephone number.
   b. Let parents or guardians decide whether personal family information such as age, marital status, or financial information should be revealed.
   c. Never arrange a face-to-face meeting with someone via the computer without parents’ or guardians’ approval.
   d. Never respond to messages that are suggestive, obscene, threatening, or make one uncomfortable. Tell a parent, guardian or library staff member if you receive such a message.
   e. Have parents or guardians report an incident to the National Center for Missing and Exploited Children via [www.cybertipline.com](http://www.cybertipline.com), or call 1-800-843-5678 if one becomes aware of the transmission of child pornography.
   f. Remember that people online may not be who they say they are.

---

g. Remember that everything that one reads online may not be true.
h. Don’t open e-mail, files or website pages sent to you by people or organizations that you don’t know or trust.

2. To address the issue of unauthorized access, including so-called “hacking” and other unlawful activities by minors online, minors and all other users of STLS libraries are hereby advised that any unlawful activity is strictly prohibited.

3. Assist member libraries to create and post an introductory web page (splash) for wireless Internet access which requires a patron to verify that he or she will accept the library’s terms for using that access. Unless the patron agrees to this verification, he or she will be blocked from using the library’s wireless Internet connection.

PROHIBITED LIBRARY ACTIVITY:

Any user of electronic STLS services in any location is strictly prohibited from any illegal activity or unlawful purpose, including but not limited to:

1. hacking;
2. harassing or invading the privacy of other users;
3. attempting to degrade the network or disrupt its performance;
4. using the network for commercial purposes;
5. sending “spam” or unsolicited advertising of any kind;
6. violation of copyright law, including downloading copyrighted works without authorization by the copyright owner.

NYS General Municipal Law, Section 11

It is the policy of the Southern Tier Library System to invest funds in a manner that will maximize the security of principal, satisfy cash flow demands, and use approved methods to provide the highest possible return. All investments will conform to applicable laws and regulations of New York State. Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence might exercise in the management of their own affairs.
Primary Objectives of the System’s financial investments:

- **Preservation of Capital:** The preservation of capital is the foremost objective of the investment program. At no time should the safety of the System’s funds be impaired or jeopardized. All investments shall be undertaken in a manner that first seeks to preserve capital and secondly attempts to fulfill other investment objectives.

- **Liquidity:** The System’s funds are to remain sufficiently liquid to enable the System to meet anticipated operating requirements.

- **Return on Investment (Yield):** The System’s investments should generate the highest available return without sacrificing the first two objectives.

Delegation of Authority

The Finance & Facilities Committee shall be responsible for the oversight of the investment program and the establishment of investment procedures, including adequate internal controls to provide a satisfactory level of accountability, consistent with this Policy. No person may engage in an investment transaction except as provided under the terms of this Policy and the established procedures.

Authorized and Suitable Investments

In accordance with NYS General Municipal Law Section 11, the following investments are deemed to be suitable for inclusion in the System’s investment program.

- U.S. Treasury Bills and notes for which the full faith and credit of the U.S. Government is pledged for the repayment of principal and interest. Bills are short term (one year or less) obligations issued and sold at a discount. Notes have fixed coupon rates with original maturities of between one and five years.

- Demand deposit accounts (such as checking accounts) established with local financial institutions.

- Certificates of Deposit (CD’S) issued by local financial institutions.

Designation of Depositories

The banks and trust companies authorized for the deposit of monies will be designated at the annual Organizational Meeting of the Board of Trustees.

Collateralizing of Deposits

In accordance with the provisions of NYS General Municipal Law, Section 10, all deposits, including Certificates of Deposit and special time deposits, in excess of the amount insured under the provisions of the Federal Deposit Insurance Act shall be secured:

1. By a pledge of “eligible securities” with an aggregate “market value”, or as provided by NYS General Municipal Law, Section 10, equal to the aggregate amount of deposits.

2. By an eligible “irrevocable letter of credit” issued by a qualified bank other than the bank with the deposits in favor of the government for a term not to exceed ninety days with an aggregate value equal to 140% of the aggregate amount of deposits and the agreed upon interest, if any. A qualified bank is one whose commercial paper and other unsecured short-term obligations are rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization or by a bank that is in compliance with applicable Federal minimum risk-based capital requirements.
Reporting

The Finance & Facilities Committee shall provide the STLS Board of Trustees with monthly financial investment reports which clearly provide current information such as the types of investment, depository institutions, principal balances, rates of return and maturities. All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

This policy shall be reviewed annually.

PURCHASING POLICY

REFERENCES: NYS Municipal Law, Article 5 (A) Section 103 and Section 104-b
STLS Authority of the board Policy
STLS Conflict of Interest Policy

It is the policy of the Southern Tier Library System (STLS) to obtain the maximum practical value when purchasing goods and services required for the effective operation of the organization consistent with the provisions of this policy, standard business practices and in accordance with applicable laws and statutes. STLS requires competitive bids for certain items and services to keep costs at a minimum; to
give interested, qualified suppliers and equal opportunity to supply goods and services to STLS; and to guard against favoritism, extravagance and fraud, waste and abuse. This policy sets forth the provisions to ensure compliance with applicable NYS General Municipal Law and STLS policies. STLS is a cooperative library system. It is neither a political subdivision nor a district thereof and is not subject to General Municipal Law except when purchasing for a member library that must comply with NYS statutes.

**Purchased Items** - Purchased items include all goods and services obtained using STLS funds except the following: postage, travel, utilities and loans. All purchasing actions over $50.00 (fifty dollars) in value will require a purchase order issued by the STLS Business Office.

Insurance and legal and professional services do not require issuance of a purchase order but will follow competition guidelines.

**Authorization to Commit Funds and Sign Purchase Orders** – The authorization to commit funds is described in the STLS Authority of the Board Policy, Commitment of Funds Section. Purchase orders may be signed by the Executor or his/her designee.

**Competition Guidelines** –

**Formal Bids** – When STLS executes procurement actions for member libraries that are required to comply with New York State Purchasing regulations, all purchasing actions will be in accordance with applicable New York State Municipal law.

When STLS executes procurement actions for itself or member libraries that are not required to comply with New York State Purchasing regulations, the following shall apply. All contracts for public works involving an expenditure of more than $35,000.00 (thirty-five thousand dollars) and all purchase contracts involving an expenditure of more than $20,000.00 (twenty thousand dollars) will be awarded based on best value resulting from responses from responsible suppliers to a written Request for Proposal or Request for Quote. STLS will issue a Request for Proposal or Request for Quotation as a basis for awards for professional services and insurance. Exceptions to the requirement for a formal bid or proposal are the same as described in Section 103 of NYS Municipal Law Article 5 (a).

**Other Purchases** – Purchases up to $1500.00 (one thousand five hundred dollars) may be justified by catalog/retail pricing. Purchases from $1500.00 (one thousand five hundred dollars) to $3000.00 (three thousand dollars) require quotes from at least two qualified suppliers. Purchases over $3000.00 (three thousand dollars) require written quotations from at least three qualified suppliers. Purchases may not be fragmented to avoid higher approval authorities.

**Single and Sole Source Purchases** – Single source purchases are allowed. Single source purchases are those in which other qualified sources may be available but competition would not be beneficial because of prior agreements or technical considerations. Sole source purchases are those in which there are no other qualified suppliers. In the absence of competition, reasonable attempts to negotiate fair and reasonable pricing are required.
Purchase Order Documentation - A file that includes a copy of the purchase order, records of quotes/bids, price analysis, packing slip, invoice, vendor claim form and approval stamp, and check or voucher number will be established for each purchase order issued and filed in accordance with established procedures. If it is a sole or single source procurement or the low bidder is not chosen justification for the price paid is required.

Receipt of Goods and Services – Receipt of goods and services will be verified in writing by a staff person other than the originator of the purchase.

Inspection and Monitoring – To ensure compliance with purchase order requirements, goods and services received will be inspected or verified by the originator of the request and results documented in the purchase order file. Services provided will be monitored by a staff person to ensure that contractual agreements are met.

Supplier Qualification – Reasonable efforts will be made to ensure suppliers providing goods and services to STLS are qualified and reputable. It is STLS policy to purchase goods and services from qualified local sources when prices are fair and reasonable.

Sales Tax Exemption – STLS is not required to pay New York State and local sales tax on purchased items. However, STLS will pay New York State sales tax for meal expenditures for staff travel if it is inconvenient for a retail establishment to accept and process a sales tax exempt form.

Ethical Practices and Conflict of Interest - Individuals purchasing goods and services must conduct business in a professional manner and qualified vendors must be given an equal opportunity to compete for STLS business. Purchasing decisions should be made with integrity and objectivity, free from any personal bias or benefit. The STLS Conflict of Interest Policy provides specific guidelines regarding gifts and gratuities, and STLS persons holding interests in suppliers doing business with STLS. Employees who would benefit from a given prospective supplier selling goods or services to STLS may not participate in the supplier selection process.

Unauthorized Purchases – No individual may commit STLS funds without proper authorization.

SEXUAL HARASSMENT PREVENTION POLICY

Introduction

Southern Tier Library System (STLS) is committed to maintaining a workplace free from sexual harassment. Sexual harassment is a form of workplace discrimination. STLS has a zero-tolerance policy for any form of sexual harassment, and all employees are required to work in a manner that prevents sexual harassment in the workplace. This Policy is one component of Southern Tier Library System’s commitment to a discrimination-free work environment.

Sexual harassment is against the law. All employees have a legal right to a workplace free from sexual harassment, and employees can enforce this right by filing a complaint internally with STLS, or with a government agency or in court under federal, state or local antidiscrimination laws.

Policy:

1. Southern Tier Library System’s Policy applies to all employees, applicants for employment, interns, whether paid or unpaid, contractors and persons conducting business with STLS including member libraries and their community members.

2. Sexual harassment will not be tolerated. Any employee or individual covered by this policy who engages in sexual harassment or retaliation will be subject to remedial and/or disciplinary action, up to and including termination.

3. Retaliation Prohibition: No person covered by this Policy shall be subject to adverse employment action including being discharged, disciplined, discriminated against, or otherwise subject to adverse employment action because the employee reports an incident of sexual harassment, provides information, or otherwise assists in any investigation of a sexual harassment complaint. STLS has a zero-tolerance policy for such retaliation against anyone who, in good faith complains or provides information about suspected sexual harassment. Any employee of Southern Tier Library System who retaliates against anyone involved in a sexual harassment investigation will be subjected to disciplinary action, up to and including termination. Any employee, paid or unpaid intern, or non-employee working in the workplace who believes they have been subject to such retaliation should inform a supervisor, manager, or Executive Director. Any employee, paid or unpaid intern or non-employee who believes they have been a victim of such retaliation may also seek compensation in other available forums, as explained below in the section on Legal Protections.
4. A non-employee is someone who is (or is employed by) a member library, contractor, subcontractor, vendor, consultant, or anyone providing services in the workplace. Protected non-employees include persons commonly referred to as independent contractors, “gig” workers and temporary workers. Also included are persons providing equipment repair, cleaning services or any other services provided pursuant to a contract with the employer.

5. Sexual harassment is offensive, is a violation of our policies, is unlawful, and subjects Southern Tier Library System to liability for harm to victims of sexual harassment. Harassers may also be individually subject to liability. Employees of every level who engage in sexual harassment, including managers, supervisors or the Executive Director who engage in sexual harassment or who knowingly allow such behavior to continue, will be penalized for such misconduct.

6. Southern Tier Library System will conduct a prompt, thorough and confidential investigation that ensures due process for all parties, whenever management receives a complaint about sexual harassment, or otherwise knows of possible sexual harassment occurring. Effective corrective action will be taken whenever sexual harassment is found to have occurred. All employees, including managers, supervisors and the Executive Director, are required to cooperate with any internal investigation of sexual harassment.

7. All employees are encouraged to report any harassment or behaviors that violate this policy. STLS will provide all employees a complaint form for employees to report harassment and file complaints.

8. Managers and supervisors are required to report any complaint that they receive, or any harassment that they observe to the Executive Director.

9. This policy applies to all employees, paid or unpaid interns, and non-employees and all must follow and uphold this policy. This policy must be posted prominently in all work locations and be provided to employees upon hiring.

**What Is “Sexual Harassment”?**

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, gender identity and the status of being transgender.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual’s sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile or offensive work environment, even if the complaining individual is not the intended target of the sexual harassment;

- Such conduct is made either explicitly or implicitly a term or condition of employment; or

- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual’s employment.
A sexually harassing hostile work environment consists of words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual’s sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, which interfere with the recipient’s job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called “quid pro quo” harassment.

Any employee who feels harassed should complain so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of sexual harassment

The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical assaults of a sexual nature, such as:
- Touching, pinching, patting, grabbing, brushing against another employee’s body or poking another employees’ body;
- Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:
- Requests for sexual favors accompanied by implied or overt threats concerning the victim’s job performance evaluation, a promotion or other job benefits or detriments;
- Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks, jokes or comments about a person’s sexuality or sexual experience, which create a hostile work environment.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
- Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual’s sex, sexual orientation, gender identity and the status of being transgender, such as:
  - Interfering with, destroying or damaging a person’s workstation, tools or equipment, or otherwise interfering with the individual’s ability to perform the job;
• Sabotaging an individual’s work;
• Bullying, yelling, name-calling.

Who can be a target of sexual harassment?

Sexual harassment can occur between any individuals, regardless of their sex or gender. New York Law protects employees, paid or unpaid interns, and non-employees, including independent contractors, and those employed by companies contracting to provide services in the workplace. A perpetrator of sexual harassment can be a superior, a subordinate, a coworker or anyone in the workplace including an independent contractor, contract worker, vendor, client, customer or visitor.

Where can sexual harassment occur?

Unlawful sexual harassment is not limited to the physical workplace itself. It can occur while employees are traveling for business or at employer sponsored events or parties. Calls, texts, emails, and social media usage by employees can constitute unlawful workplace harassment, even if they occur away from the workplace premises or not during work hours.

What is “Retaliation”?

Unlawful retaliation can be any action that would keep a worker from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation.

Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in “protected activity.” Protected activity occurs when a person has:

• filed a complaint of sexual harassment, either internally or with any anti-discrimination agency;
• testified or assisted in a proceeding involving sexual harassment under the Human Rights Law or other anti-discrimination law;
• opposed sexual harassment by making a verbal or informal complaint to management, or by simply informing a supervisor or manager of harassment;
• complained that another employee has been sexually harassed; or
• encouraged a fellow employee to report harassment.

Reporting Sexual Harassment

Preventing sexual harassment is everyone’s responsibility. STLS cannot prevent or remedy sexual harassment unless it knows about it. Any employee, paid or unpaid intern or non-employee who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to their immediate supervisor or Executive Director in confidence. Anyone who witnesses or becomes aware of potential instances
of sexual harassment should also report such behavior to their immediate supervisor or Executive Director in confidence. An employee who suspects the Executive Director is involved in behavior that may constitute sexual harassment is encouraged to take his or her concerns directly to the President of the Board of Trustees.

Reports of sexual harassment may be made verbally or in writing. A form for submission of a written complaint is attached to this Policy, and all employees are encouraged to use this complaint form. Employees who are reporting sexual harassment on behalf of other employees should use the complaint form and note that it is on another employee’s behalf.

Employees, paid or unpaid interns or non-employees who believe they have been a victim of sexual harassment may also seek assistance in other available forums, as explained below in the section on Legal Protections.

Supervisory Responsibilities

All supervisors and managers who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing behavior or for any reason suspect that sexual harassment is occurring, are required to report such suspected sexual harassment to the Executive Director.

In addition to being subject to discipline if they engaged in sexually harassing conduct themselves, supervisors and managers will be subject to discipline for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue.

Supervisors and managers will also be subject to discipline for engaging in any retaliation.

Complaint and Investigation of Sexual Harassment

All complaints or information about suspected sexual harassment will be investigated, whether that information was reported in verbal or written form. Investigations will be conducted in a timely manner, and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, and should be completed within 30 days. The investigation will be confidential to the extent possible. All persons involved, including complainants, witnesses and alleged perpetrators will be accorded due process to protect their rights to a fair and impartial investigation.

Any employee may be required to cooperate as needed in an investigation of suspected sexual harassment. Employees who participate in any investigation will not be retaliated against.

Investigations will be done in accordance with the following steps:

- Upon receipt of complaint, the Executive Director will conduct an immediate review of the allegations, and take any interim actions, as appropriate. If complaint is oral, encourage the individual to complete the “Complaint Form” in writing. If he or she refuses, prepare a Complaint Form based on the oral reporting. The STLS Board of Trustees President will conduct an immediate review of the allegations in the event a complaint has been lodged against the Executive Director.
• If documents, emails or phone records are relevant to the allegations, take steps to obtain and preserve them.

• Request and review all relevant documents, including all electronic communications.

• Interview all parties involved, including any relevant witnesses;

• Create a written documentation of the investigation (such as a letter, memo or email), which contains the following:
  
  • A list of all documents reviewed, along with a detailed summary of relevant documents;
  • A list of names of those interviewed, along with a detailed summary of their statements;
  • A timeline of events;
  • A summary of prior relevant incidents, reported or unreported; and
  • The final resolution of the complaint, together with any corrective actions action(s).

• Keep the written documentation and associated documents in the employer’s records.

• Promptly notify the individual who complained and the individual(s) who responded of the final determination and implement any corrective actions identified in the written document.

• Inform the individual who complained of their right to file a complaint or charge externally as outlined below.

Legal Protections and External Remedies

Sexual harassment is not only prohibited by Southern Tier Library System but is also prohibited by state, federal, and, where applicable, local law.

Aside from the internal process at Southern Tier Library System employees may also choose to pursue legal remedies with the following governmental entities at any time.

New York State Division of Human Rights (DHR)

The Human Rights Law (HRL), codified as N.Y. Executive Law, art. 15, § 290 et seq., applies to employers in New York State with regard to sexual harassment, and protects employees, paid or unpaid interns and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court.

Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged discrimination. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to Southern Tier Library System does not extend your time to file with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment.
You do not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate your complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring your employer to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney’s fees and civil fines.

DHR’s main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400 [appropriate other contact info], www.dhr.ny.gov

Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR’s regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court.

The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred.

If an employee believes that he/she has been discriminated against at work, he/she can file a “Charge of Discrimination.” The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov

If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists. For example, employees who work in New York City may file complaints of sexual harassment with the New York City Commission on Human Rights. Contact their main office at Law Enforcement Bureau of the NYC Commission on Human Rights, 40 Rector Street, 10th Floor, New York, New York; call 311 or (212) 306-7450; or visit www.nyc.gov/html/cchr/html/home/home.shtml

Contact the Local Police Department
If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the local police department.

Complaint Form for Reporting Sexual Harassment
(An Addendum to the STLS Sexual Harassment Prevention Policy)

New York State Labor Law requires all employers to adopt a sexual harassment prevention policy that includes a complaint form for employees to report alleged incidents of sexual harassment.

If you believe that you have been subjected to sexual harassment, you are encouraged to complete this form and submit it to the Executive Director of STLS. Once you submit this form, your employer must follow its sexual harassment prevention policy and investigate any claims.

You are welcome to submit your complaint verbally based on STLS Sexual Harassment Prevention Policy.

TRAVEL, WORKING REMOTELY & CONFERENCE POLICY

APPLIES TO: STLS Employees
REFERENCES: Finance Policy
            Purchasing Policy
            Staff Organization Contract

Travel

STLS employees travel as an essential function of their duties. The specific nature of an employee’s travel depends on the employee’s job title and description. All necessary and job-related travel shall be communicated to an employee’s direct supervisor and documented on the organizational calendar.

Each employee who visits a member library, or attends a meeting or conference within or outside the STLS service region shall drive one of two STLS vehicles. Employees shall use their own vehicle if it reduces drive time relative to the travel location, the employee’s home and STLS offices. An employee shall also use her/his own vehicle if an STLS vehicle is not available. In such cases, the employee will be reimbursed for mileage based on the current IRS rate.

Employees shall communicate among each other about the need and availability of STLS vehicles to keep organizational travel expenses low. Employees traveling the farthest on any given day have first access to STLS vehicles.

Working Remotely

Working Remotely is defined as an employee working outside of STLS offices for one or more days within an employee’s normal work week. Examples of working remotely include member library site visits, local, regional or state meetings and on occasion, the employee’s home or another suitable location.

Each employee who indicates they are working remotely on the organizational calendar shall record all hours worked on their time sheets. Employees are responsible for managing their schedules to stay within the hours allotted under a regular work week. This includes travel, meals and time at meetings.

Member Library Site Visits

Employees visit member libraries frequently. Employees shall document their time away from STLS offices on the organizational calendar by indicating the name of the library or libraries they are visiting, the time frame of the visit and the STLS vehicle they are using to drive there.

Meetings

Employees who attend meetings within and outside the STLS’ service region shall document their time away from STLS offices on the organizational calendar by indicating the name of the library, libraries or agency they
are visiting, the time frame of the visit and the STLS vehicle they are using to drive there.

**Home or Another Suitable Location**

Employees shall work from home or at another suitable location on occasion. This option shall be exercised when it is most efficient to the job-related work of the employee based on her/his travel schedule within the regular work week. Employees must obtain approval from their direct supervisor prior to exercising this option.

Time worked away from the office shall be documented on the organizational calendar as *Working Remotely* and the hours worked. The employee shall respond to phone calls and email as well as produce tangible work as defined by her/his direct supervisor while *Working Remotely*.

**Conferences**

The Executive Director establishes the conference budget annually. This budget is communicated to division heads. Employees shall communicate their interest in attending conferences to their direct supervisors. Conference expenses will only be paid for by STLS if an employee receives approval from her/his direct supervisor. An employee may register and make travel/lodging accommodations upon supervisor approval. Conference expenses are limited to: registration, travel, lodging and meals. The Executive Director establishes meal allowances prior to each conference.

All conference expenditures shall be realized through a purchase order or STLS issued credit card. Employees will not be reimbursed for conference expenditures if they use their own credit or debit card. Employees shall seek reasonable pricing for all conference expenses.

STLS vehicles are to be considered the primary means for conference transportation unless air travel is required. Use of a personal vehicle requires approval from the Executive Director. Employees shall coordinate the sharing of vehicles if more than one employee is attending the same conference.

Employees may also attend conferences which are job-related at their own expense if the STLS budget does not support participation. Conference attendance will be considered as a regularly scheduled working day, as approved by the Executive Director. Employees should record travel, meals and time spent at conference-related events on their time sheets.

**APPLIES TO:** STLS Board of Trustees

Handbook for Library Trustees of New York State by Jerry Nichols, et.al.; STLS Trustee Job Description

In the event of a vacancy on the Board of Trustees, either by retirement or the departure of a Trustee before completion of an authorized period of service, the STLS By-Laws, Article IV. Board of Trustees, Section 3 establishes that the Public Relations Committee of the Board shall, in a timely fashion, canvass the library communities in each county where the vacancy exists to identify and nominate one or more candidates. All qualified candidates shall be presented to the member libraries for election at the STLS Annual Meeting. The Board of Trustees may appoint a candidate to fill an unexpired term vacancy, but the new Trustee must still be elected by the membership at the Annual Meeting.

Trustee duties are clearly spelled out in the referenced Handbook for Library Trustees of New York State and the STLS Trustee Job Description. Trustees must reside in the county served by that position on the STLS Board. Board members must be willing to devote the necessary time and energy to carrying out the duties and responsibilities of an STLS Trustee.

STLS offers an orientation session for each new Trustee with the Executive Committee of the Board and the Executive Director. This orientation will include a tour of the facility, an opportunity to meet key personnel and see STLS operations, as well as a question and answer period to further the new Trustee’s understanding of the culture of the organization and get them current with respect to duties, responsibilities, issues and plans.

STLS POLICY MANUAL

TUITION REIMBURSEMENT POLICY

Proposed STLS Tuition Reimbursement Policy
The current labor contract between the Southern Tier Library System (STLS) and the Staff Organization of Southern Tier Library System provides for tuition reimbursement. This policy document delineates the specific actions to be taken by STLS management and STLS employees to implement efficiently and effectively this tuition reimbursement commitment.

Employee Qualifications
All employees, both members of the Staff Organization of Southern Tier Library System and non-members, qualify for the STLS tuition reimbursement after they have completed one year of continuous employment at STLS. The program is available to both full-time and part-time employees.
Qualifying Education Programs
Tuition reimbursement is available for courses that, in the judgment of the Executive Director of STLS, are job related. Where an employee is enrolled in a degree program that requires courses that are job related and non job related, STLS tuition reimbursement is not available for those courses that are non job related.

Qualifying Institutions
Tuition reimbursement is only available for studies at fully accredited educational institutions offering course work at a level higher than that of high school.

Amount of Reimbursement
Reimbursement policy is based on a conventional college program consisting of two semesters per year.

(1) Employees who meet the requirements of the tuition program will be partially reimbursed for the tuition costs of courses they successfully complete with a final grade of an A or a B.

(2) Reimbursement shall be available for up to six (6) credit hours of course work per semester. The total credit hours reimbursed in each calendar year shall not exceed twelve (12).

(3) STLS grade-related tuition reimbursement shall apply to only that part of the tuition cost paid for directly by the employee after deducting tuition costs paid for by other reimbursement programs such as grants, scholarships, etc.

(4) Qualifying course tuition costs paid for directly by the employee shall be reimbursed at a rate of seventy-five percent (75%) for a final grade of A and at a rate of fifty-percent (50%) for a final grade of B. Where the educational institution uses a grading system other than a letter grade the STLS Executive Director shall determine reasonable reimbursement percentages corresponding to the possible course outcomes.

(5) The STLS reimbursement program is limited to tuition costs. Other potential educational costs, such as laboratory fees, the purchase of books and other educational materials, board and lodging, and transportation are not included in the STLS program.

(6) Where a qualifying educational institution uses a trimester or quarter system reimbursement shall be provided at a rate of six credit hours per trimester or quarter, but shall not exceed twelve (12) credit hours per calendar year.

(7) Where a school does not use the normal credit hour system of 3 to 4 hours per course, courses may be considered to be equivalent to 3 or 4 credit hours at the discretion of the STLS Executive Director.

WHISTLEBLOWER and ETHICAL BEHAVIOR POLICY

The Southern Tier Library System requires trustees, employees and volunteers to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. Employees and representatives of the organization must practice honesty, fair dealing, and integrity in fulfilling their responsibilities and comply with all applicable laws and regulations. The Board embraces the organization’s values of integrity, honesty, ethical behavior, loyalty to the organization, courtesy, civility, respect for and co-operation among staff, trustees, member libraries, and vendors. Harassment, because of race, religion, color, sex (including pregnancy, gender identity, and sexual orientation), parental status, national origin, age, disability, family medical history or genetic information, political affiliation, military service, or other non-merit based factors, whether conducted by, or affecting, an employee, vendor, client, volunteer, board member, or other individual connected with STLS is strictly prohibited. This policy applies to all employees, directors, officers, volunteers, and agents of the STLS, including the Executive Director and the Board of Trustees.
The objectives of the STLS Whistleblower and Ethical Behavior Policy are to establish standards of conduct and procedures for:

- The submission of concerns, on a confidential basis, regarding:
  (a) Harassment and bullying, sufficiently severe or pervasive to create a hostile work environment, or resulting in a tangible change in an employee’s employment status or benefits,
  (b) Questionable accounting or auditing actions by employees, trustees, officers and other stakeholders of the organization,
  (c) Wrongful conduct such as a violation of applicable state and/or Federal laws and regulations; a serious violation of STLS Policy; or the use of STLS property, resources, or authority for personal gain or other non-STLS purpose except as provided under STLS policy
- The receipt, retention, and treatment of complaints received by the organization regarding harassment, accounting, internal controls, auditing matters or other wrongful conduct
- The protection from retaliatory actions of trustees, employees, and volunteers reporting concerns.

**Reporting Responsibility**

Each trustee, employee, and volunteer of STLS has an obligation to report in accordance with this Whistleblower and Ethical Behavior Policy (a) harassment or bullying, (b) questionable or improper accounting or auditing matters, (c) violations and suspected violations of this policy and (d) wrongful conduct.

**Authority of the Board of Trustees**

All concerns submitted in writing will be forwarded to the President of the Board of Trustees in accordance with the procedures set forth below. The President is responsible for designating the appropriate committee to investigate and make appropriate recommendations to the Board of Trustees with respect to the following: (a) concerns that originate from trustees and other non-employees or (b) concerns submitted by employees that have not been resolved by the System Executive Director to the satisfaction of the complainant.

**Reporting Procedures and Corrective Action for Employees**

Employees shall first discuss their concern, in confidence, with their immediate supervisor. If, after speaking with his or her supervisor, the employee is convinced that his or her concern is unwarranted or that, in the opinion of the employee, the supervisor will take appropriate steps to resolve the employee’s concern no further action is required by the employee.

- However, further action is required if the employee (a) continues to have reasonable grounds to believe the concern is valid and that the response of his or her immediate supervisor is not adequate or (b) the immediate supervisor recommends that the issue should be referred to a higher level in the organization. In this situation the employee shall write a formal complaint which the first level supervisor is obligated to take to the System Executive Director (or Acting System Director) in five working days.
- The Executive Director will promptly inform the employee of receipt of the complaint. A copy of the complaint will be forwarded to the President of the Board of Trustees. The Executive Director will investigate the circumstances of the complaint in a timely fashion and, where warranted, take disciplinary and other actions. At the completion of the investigation the Executive Director will provide the employee initiating the complaint and the President with a written summary of the action taken.
• Notwithstanding the procedure stated above, if the employee’s supervisor is the subject of the employee’s concern or is possibly involved, the employee may choose to discuss their concern directly and in confidence with the Executive Director and then write a formal complaint. It is the responsibility of the Executive Director to investigate promptly the circumstances of the complaint in the manner stated in the previous paragraph.

• In extraordinary circumstances, and after due consideration, an employee who suspects or believes that the Executive Director is involved in unethical or illegal behavior may take his or her concerns directly to the President of the Board of Trustees using the procedure below entitled “Reporting Procedures for Trustees and Other Volunteers.”

Reporting Procedures and Corrective Action for Individuals Not Employed by the System

System trustees, System volunteers, individuals in the Member Libraries of the System and members of the general public shall submit concerns in writing directly to the President of the Board of Trustees. If the President of the Board of Trustees is not available or is the subject of the concern, the complaint shall be directed to the Vice-President of the Board of Trustees.

• The President is responsible for designating an appropriate committee, as circumstances dictate, to investigate and make appropriate recommendations to the Board of Trustees, with respect to all concerns received in writing. The designated committee has the authority to retain outside legal counsel, accountants, private investigators, or any other resource deemed necessary to conduct a full and complete investigation of the allegations.

• The President will inform the originator of the receipt of the written complaint. All trustees of the System will be informed of the nature of the complaint with emphasis on maintaining the confidentiality appropriate for personnel issues.

• The Board of Trustees and its designated committee will resolve all complaints in a timely fashion and inform the individual submitting the complaint of the Board’s final action.

• If the concern, for any reason, is not dealt with by the Board of Trustees to the satisfaction of the complainant, he or she may request a review by the State Librarian.

Acting in Good Faith

Anyone reporting a concern must act in good faith and have reasonable grounds for believing the information disclosed indicates harassment or bullying; a questionable or improper accounting or auditing practice; a violation or suspected violation of this STLS Policy; or wrongful conduct.

The act of making allegations that prove to be unsubstantiated, and that prove to have been made maliciously, recklessly, or with the foreknowledge that the allegations are false, will be viewed as a serious disciplinary offense and may result in discipline, up to and including termination of employment or dismissal from the trustee or volunteer position. Such conduct may also give rise to other actions, including civil lawsuits.

Confidentiality

Reports of concerns and their investigations shall be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation. Disclosure of reports of concerns to individuals not involved in the investigation will be viewed as a serious disciplinary offense and may result in discipline, up to and including termination of employment. Such conduct may also give rise to other actions, including civil lawsuits.
No Retaliation Provision

This Whistleblower and Ethical Behavior Policy is intended to encourage and enable employees, trustees, volunteers and others to raise concerns within STLS for investigation and appropriate action. With this goal in mind, no trustee, employee or volunteer who, in good faith, reports a concern shall be subject to retaliation or, in the case of an employee, adverse employment consequences. Moreover, an employee, trustee or volunteer who retaliates against someone who has reported a concern in good faith shall be subject to discipline, up to and including termination of employment or dismissal from the trustee or volunteer position.

WORKERS’ PROTECTION POLICY

Applies to:  STLS Board of Trustees
            STLS Staff

References:  STLS Staff Association Contract
            New York State Disability Benefits Law
            New York State Paid Family Leave Act
            New York State Workers’ Compensation Law

New York State requires most employers to maintain Disability, Worker’s Compensation and Paid Family Leave benefits. The Southern Tier Library System provides such insurance coverages as required by law for the long-term wellness and financial protection of all employees. Each benefit is unique and is administered as described below.

Disability

Disability benefits coverage is provided to all employees for an off-the-job injury or illness. These benefits provide temporary weekly cash benefits to replace, in part, wages lost due to injuries or illnesses that do not
arise out of or in the course of employment. New York State Compensation Board sets and determines the maximum benefit allowed. Disability benefits are also paid to an unemployed worker to replace unemployment insurance benefits lost because of illness or injury.

STLS obtains this coverage through a disability benefits insurance carrier who is authorized by New York State’s Workers Compensation Board. This coverage is paid for entirely by the employer. Employees who seek disability benefits shall notify the STLS Business Manager in a timely manner to file a claim. Employees will be asked to complete and submit a Notice and Proof of Claim for Disability Benefits form. The Workers Compensation Board is responsible for the review and approval of claims.

Workers Compensation

Workers Compensation coverage is insurance that provides cash benefits and/or medical care for workers who are injured or become ill as a direct result of their job. New York State Compensation Board sets and determines the maximum benefit allowed. This coverage is paid for entirely by STLS, and is obtained through a disability benefits insurance carrier who is authorized by New York State’s Workers Compensation Board.

Employees who are injured or become ill on the job shall seek medical attention immediately. The employee shall also notify her/his direct supervisor of the accident and how it occurred. The employee’s direct supervisor is responsible for completing an STLS Accident Form immediately following the accident and notifying the STLS Executive Director. The STLS Executive Director and Business Manager, or their designee, will file the accident form with STLS’ insurance provider and file internally. Within 30-days of the accident, the employee will notify the STLS Business Manager of the accident in writing. STLS will work with the employee to complete and submit a Workers Compensation Board Claim Form (C-3).

Employees approved for benefits shall follow the required claims process. Partial use of sick time is allowed to bring compensation up to full normal pay. Employees do not usually accrue credit in the NYS Retirement System unless sick time is used. In that case, credit in the NYS Retirement System would be pro-rated. In any event, such credits are subject to the rules of the Retirement System. The Workers Compensation Board is responsible for the review and approval of claims.

Paid Family Leave

Paid Family Leave coverage provides employees with job-protected, paid leave to bond with a new child, care for a loved one with a serious health condition or to help relieve family pressures when someone is called to active military service abroad. New York State sets and determines the maximum benefit allowed. This coverage is paid for entirely by the employee through bi-weekly payroll deductions. Deductions are based on a percentage of the employee’s weekly wage set by New York State. STLS obtains coverage on behalf of the employee through a benefits insurance carrier who is authorized by New York State’s Workers Compensation Board.

Employees who wish to apply for Paid Family Leave shall notify their direct supervisor and the STLS Business Manager at least 30 days before leave will start if it is feasible. The employee must complete a Request for Paid Family Leave (Form PFL-1) and submit it to the Business Manager. The STLS Business Manager will complete the employer section of the form and return to the employee within 3 business days. The employee is responsible for submitting the form and all necessary documentation to STLS’ Paid Family Leave insurance carrier as identified by the Business Manager. The insurance carrier is responsible for the review and approval of claims.
The STLS Business Manager will facilitate all claims, unless involved in a claim him/herself. In that case, the Executive Director will facilitate that claim.

Alcohol and Substance Abuse – It is the policy of STLS to maintain a work environment that is free of substance abuse. This protects the safety of the public with whom we interact and the employees with whom we work. The manufacture, use, distribution, possession, sale, or purchase of illegal drugs on STLS property is prohibited. The employment status of any person found to be in violation of this prohibition will be subject to a review by the Director and the Board of Trustees consistent with the provisions of local, State and Federal Law as a condition of continuing employment. While prescription drugs are not prohibited, they should not render an employee unfit for duty.

Violence and Firearms in the Workplace – STLS is committed to providing a safe and productive workplace for its employees. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, and/or coercion, which involve or affect STLS or which occur on STLS property will not be tolerated. This includes acts or threats of violence that occur on STLS property, regardless of the relationship between STLS and the parties involved. Acts or threats of violence include conduct which is sufficiently severe, offensive, or intimidating to alter the employment conditions at STLS, or to create a hostile, abusive, or intimidating work environment for one or several employees. This includes any and all threats or acts of violence occurring off STLS premises involving someone who is acting in the capacity of a representative of STLS. STLS prohibits the possession and/or use of any and all kinds of firearms or other weapons on all premises owned by the System.

Any employee found guilty of violating these prohibitions may face immediate disciplinary action and/or termination, and reporting to the appropriate law enforcement agencies.
